Full Associated Press Leased Wire and Wide World Features

THEY MADE IT—Only the setting is out of tune as representatives of the Jefferson City Junior Chamber of Commerce bring their authentic, mail-carrying stage coach into Kansas City for the national Jaycee convention after a three-day trip from the state capital. The old west version of a stagecoach trip would be missing many of the modern innovations of this scene, notably the gasoline station, paved highway and assist from a gun-toting city patrolman. But it did meet with some "bandits" in Sedalia Saturday in a mock holdup staged by the Sedalia Jaycees.

## At Kubinka Air Base—

### Twining Sees Soviet Bomber Flying Faster Than Sound

MOSCOW (AP) — Gen. Nathan Twining, U.S. Air Force chief of staff, has been given a look at a new Soviet bomber the Russians say can fly faster than sound.

The U.S. Air Force does not yet have such a supersonic bomber. The speed of sound varies from 760 miles an hour at sea level to

about 663 miles an hour at altitudes above 35,000 feet.

The top U.S. airman, a group of his aides and British, French and other foreign military men were shown the new plane during a conducted tour of the closely guarded Kubinka air base, about 40 miles from Moscow.

Reporters who tried to trail the foreign visitors were halted 20 miles outside Moscow.

Twining said later the new craft was a twin-engine, light attack bomber.

The foreign military men, who were invited here to see Russia's latest aviation achievements, were told the new bomber had never been shown before.

The visiting officers toured the base in jeeps, making only one stop while viewing more than 100 planes.

The stop came when Twining was invited by Air Marshal Pavel Zhigarev, Soviet air force chief, and Marshal Sergei Rudenko, Soviet air force chief of staff, to make a close inspection of the new TU104 jet transport. The U.S. officer was the only member of the party invited to enter the plane.

Twining said Soviet pilots demonstrated their skills for the visitors, taking off in MIG17s in formations of five, then circling and showing their style of peeling off.

"Their technique is good," said Twining, "just like ours."

"We asked a lot of questions and they were pretty good about answering them," he said. "They let us take our time, didn't hurry us at all."

British officials making the tour said it was a "valuable glimpse," but described it as a "child's guide to the Soviet air force."

"When we asked the range of planes we were shown, we were told it was very great," the Britons reported. "When we asked about the speed of a certain plane, we were told very great."

These meetings are for all 4-H members, junior leaders, community 4-H leaders and 4-H project leaders, who are interested in demonstrations. The 4-H members do not have to be planning a demonstration for Achievement Day to attend this meeting. It is set up for general training in demonstration techniques.

## Bethany Officials Wait for Action Now

BETHANY, Mo. (AP) — Bethany city officials today await action by state and federal officials to relieve the water shortage here, after being assured yesterday top priority would be given on measures for relief.

In a conference with city officials yesterday were J. Ramsey, Battle Creek, Mich., regional director for the Civil Defense Administration, and Roy Wells, director of technical advisory section; J. C. Alexander, a state engineer, and Lt. Gov. James T. Blair Jr.

## Alarm Clock Blues

That was good sleeping weather Monday night, after the clouds got things under control.

Partly cloudy with scattered showers and thundershowers early tonight, becoming generally fair late tonight and Wednesday; a little cooler tonight and Wednesday; low tonight in middle 60s; high Wednesday middle 80s.

The temperature at 7 a.m. was 68, 87 at 1 p.m., and 89 at 2 p.m. Low Monday night 68. Rainfall .09 inch.

The temperature one year ago today, high 78, low 65; two years ago, high 103, low 72, and three years ago, high 87, low 65, with .05 inch of rain.

Stage at Lake of the Ozarks 49.2 steady.

## Quarles Defends Request

### Makes Unusual Appearance Before Senators Discussing Budget of Air Force

WASHINGTON (AP)—Secretary of the Air Force Quarles said today this nation's fleet of more than a thousand medium jet B47 bombers "constitutes the most powerful striking force on earth."

And three years from now in 1959, Quarles said, this fleet "with tanker support will remain the largest force of intercontinental bombers in the active inventory of any country."

Quarles stoutly defended the Air Force budget of the Eisenhower administration in an unusual public appearance before a Senate subcommittee a few hours before the Senate was expected to reach showdown votes on this heated political issue.

Pending are a Democratic proposal to add \$1,160,000,000 to the Eisenhower air force requests and a Republican compromise to make the increase 500 million dollars.

Quarles appeared before a special Armed Services subcommittee that has been investigating relative U.S.-Soviet air power and urging more Air Force funds immediately to offset Soviet Russia's expanding air power.

Earlier, Senate Republican leader Knowland of California told reporters the Eisenhower administration is sticking to its defense budget. He added, however, that the half billion dollar Republican compromise would be "more acceptable" than the larger amount proposed by the Democrats.

Knowland spoke with newsmen after Republican congressional leaders held their regular Tuesday legislative conference at the White House.

With President Eisenhower in the hospital the GOP lawmakers met with Sherman Adams, the President's top aide, and other White House staff members.

Knowland would not answer directly a question whether the President would accept the larger amount and not spend it.

There would be a precedent for that.

Former President Truman impounded \$726,151,000 in funds Congress voted for the Air Force in the 1949-50 budget. The money, part of the allotment for aircraft procurement, was turned over to the Air Force the following year, after the start of the Korean War.

## Jaycee Stage Coach Loses Mail in Sedalia

The Jefferson City stagecoach arrived at its destination in Kansas City for the Jaycee convention, but if they thought they got there safely with all their mail — they're mistaken.

It might have been bandits that tried to rob the stagecoach downtown in Sedalia but it must have run into more trouble before it reached the edge of town — maybe Indians — for several of their letters were scattered over the lawn of Mr. and Mrs. Herbert W. Mason, 1810 West Broadway, after the stagecoach went by their house.

Mrs. Mason went out and gathered up the five or six letters and mailed them, feeling that the mail must go through, regardless, and maybe it might be carried on by a later stagecoach that wouldn't have so much trouble getting through Sedalia.

## Highway Bill Passes, Goes To President

WASHINGTON (AP) — Congress sent to President Eisenhower today the 33-billion-dollar highway construction bill calling for the biggest public works program in the nation's history.

Senate passage completed congressional action on the huge measure. The House acted earlier in the day, by voice vote.

The bill, which has been debated through both sessions of the 84th Congress, hands the President largely what he asked in the way of a roadbuilding program to give the nation a modern highway network from coast to coast.

But the lawmakers turned down Eisenhower's request for bond financing. Instead, the measure levies new taxes amounting to almost a billion dollars a year for the next 16 years.

The principal additional tax is a 1-cent increase in the federal gasoline tax, making it 3 cents a gallon. However, other new levies would hit other fuels, tires, tread rubber, trucks, buses and trailers.

It is estimated the typical passenger car owner will pay \$8.60 a year more under the bill. The annual expenses of running a big five-axle truck would increase by \$565, the American Trucking Assn. figures.

## News Flashes

### Rejects Red Proposal

UNITED NATIONS, N. Y. (AP) — The U. N. Security Council today rejected a surprise Soviet proposal that it postpone indefinitely any discussion of the 19-month-old Algerian conflict.

## Meetings to Be Held Thursday and Friday—

### Some Facts on Soil Bank Given As They Apply to Local Farmers

Some of the things farmers need to know immediately about the Soil Bank program are listed below.

First, each farm stands by itself and one farm of an owner can be in the program and others not. Second, since cross compliance is being checked between crops anyone who pays a wheat penalty is out of the whole program.

Third, folks who stayed within their original corn allotment can draw payment on the difference between that and the Soil Bank corn base which is about 17 per cent larger.

The maximum acreage on which they can draw pay is 50 per cent of the Soil Bank corn base or 50 acres, whichever is larger. The minimum is 10 per cent of the base or five acres, whichever is larger. If the base is five acres or less the whole base can be put in the soil bank.

The rate of pay per acre will be 92 cents per bushel times the productivity rate for the farm unless the tract laid out is of lower fertility than the entire farm. In that case, there would need to be an adjustment. The productivity for the county is 29.9 bushels on corn.

The idea of a considerable cut in corn acreage might bring up the thought to some landlords that they might reduce the number of tenants and draw most of the Soil Bank payment themselves. The contract goes into considerable detail to say that cannot be done.

The program states that the basis for sharing the compensation shall not be approved by the county committee if it has reason to believe that the tenants will not receive a fair and equitable share of such compensation.

If a farmer plants right up to the Soil Bank corn base he is still eligible for the high level corn loan (\$1.50 per bushel) if he will lay out 15 per cent of his corn base in the conservation reserve. Such acreage cannot have had a crop harvested on it and cannot have been grazed since June 22.

Those who over plant their bases are limited to the lower level loan price of \$1.25 per bushel.

Meetings to give further information on the Soil Bank program are being held at Green Ridge and Houstonia this Thursday night, and at Bahner, Carthwright and Sedalia this Friday night. The Sedalia meeting will be in the assembly room. All the others are in schools and all will start at 8 p.m.

Preparations for the sign-ups are not yet complete. Sign-up dates will be announced at the above meetings and must be completed by July 20.

## Opened June 24—

### Boy Scout Camp Pa-He-Sti Announces Many Campers

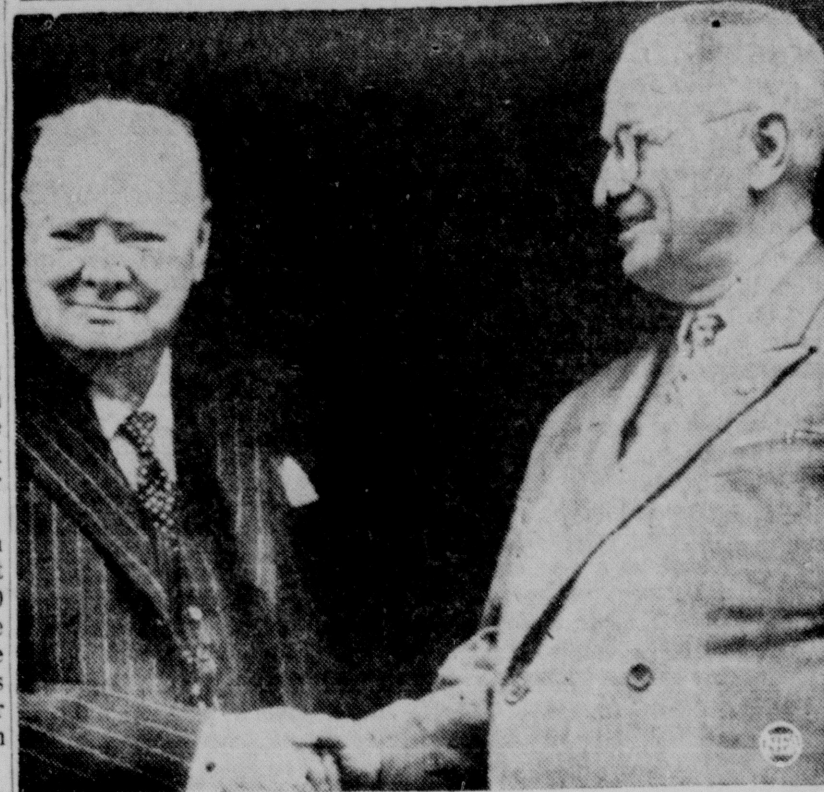

Captain K. K. Johnson, Camping and Activities Chairman for the Lake of the Ozarks Council, Boy Scouts of America, announced today that a total of 95 Scouts and Explorers checked in at Camp Pa He Tsi on Sunday June 24. Camp Pa He Tsi is located in the Lake of the Ozarks State Park near the Grand Glaize Bridge. This is the third session of camp this season according to Johnson. The average attendance at the other two sessions was over 100.

Troops are in camp from Sedalia, Windsor, Eldon, Tipton and Jefferson City.

Eight of the Explorer Scouts left camp early Monday morning on a five-day canoe trip on the Lake of the Ozarks. They will go by canoe to Ha Ha Tonka. On the way there they will fish, swim and have a real trip, cooking their own meals, and camping out each night. Their leader is Mr. George Kendrick of Slater.

Those attending from Sedalia are: From Troop 54, First Methodist Church, Ronald Dager, Jimmie Gardner, Donald Hausam, Jim Seelen, John Kendle, Billy Rucker, Cleo Sutherland, "Kit" Taylor, Gary Warrenbrock, Jerry Wilson, Carey Ravenscraft, Mike Hanigan, James Hausam and John Hausam.

From Troop 69, St. Pauls Lutheran Church, Larry Anthes, Larry Ashbrook, Larry Balke, Oren Dingeldine, Leroy Johnson, David Kammerich, Billy Kreisel, Ralph Kreisel, Mike Larson, and Leroy Roark.

VISIT IN ENGLAND—Former British Prime Minister Sir Winston Churchill, left, and former U.S. President Harry S. Truman shake hands as they meet at Chartwell, England, for the first time since they left their respective posts of national leadership. (NEA Radio-Telephoto).

## J. C. Penney Store Starts Remodeling

Work began Tuesday morning on complete remodeling of the J. C. Penney store at Third and Ohio and will last between three and four months, it is estimated.

An entire new front will be constructed and will feature larger windows along with more window display space, a shift in the location of the doors and the addition of an air-conditioned lobby between the inner and outer entrance doors. The whole store will also be air-conditioned. The color scheme of the front will be changed to a light cream, composed of enameled steel.

Inside, there will be a complete change in fixtures, lighting and color schemes.

Service to customers will continue uninterrupted throughout the remodeling.

## NAACP Opens Election Year Convention

SAN FRANCISCO (AP) — In the spotlight of election year politics, the National Assn. for the Advancement of Colored People opened its 47th annual convention here today with nearly 1,000 delegates on hand.

Formal opening tonight will include welcome speeches and a keynote address by Thurgood Marshall, NAACP special counsel who led the successful legal battle for racial desegregation in U.S. schools.

Association leaders already have made it clear they consider this a "crucial year" in their fight to obtain what they call "full freedom" for their race in integrated schools, churches, housing, jobs, transportation and recreation throughout the nation.

Yesterday Roy Wilkins of New York, association executive secretary, sharply criticized the Eisenhower administration for what he described as a "passive, neutral" attitude in achieving racial integration in the schools of Southern states.

He blamed both political parties for the lag, and hinted that the NAACP would voice demands on each for a far stronger civil rights plank in its platform than in previous convention years, now that school desegregation has become law.

## Aide Declines To Testify At Hearing x

WASHINGTON (AP)—White House aide Maxwell Rabb declined today to testify before the Senate Investigations subcommittee. Sen. McCarthy (R-Wis) called his refusal "inexcusably arrogant" conduct that the Senate should punish as contempt.

Rabb, secretary to the Cabinet, sent word "there is nothing I can add" to his denial of yesterday that he or any of his staff "leaked" official documents to author Robert J. Donovan.

He said "I must respectfully decline" to comply with an invitation that he come in and make that statement under oath, and also tell whether he knows who did give the information to Donovan.

The subcommittee is trying to learn how Donovan obtained "secret documents and materials" about Cabinet meetings for a book he has written about the Eisenhower administration.

Sen. McClellan (D-Ark), the subcommittee chairman, did not immediately rule on McCarthy's demand that the subcommittee subpoena Rabb.

McCarthy said the subcommittee should do this and itself "determine the punishment" without referring the case to the Justice Department if Rabb again declines to testify.

McClellan said it is obvious that Donovan must have had access to minutes of Cabinet meetings and other official documents in writing his book, "The Inside Story."

McCarthy said the book quotes Atty. Gen. Brownell as having made some "scurrilous" references to McCarthy. McCarthy said that if Brownell was quoted correctly, "he is guilty of a deliberate misstatement."

McCarthy said Brownell should be invited before the subcommittee to say whether he was correctly quoted.

McClellan directed that the subcommittee staff write Brownell at once asking about the statements, which the chairman said "amount to a charge" against McCarthy.

## Military Control Ordered

### Four Students Die As Troops Open Fire On Demonstrations Against Crackdown

GUATEMALA (AP) — President Carlos Castillo Armas put the army in control of Guatemala today after demonstrations in which four students were killed.

The president declared a state of seige—modified form of martial law. The army, assuming control, asked the cooperation of the people to avoid further clashes.

The deaths came last night during student demonstrations on the capital's main street against a government crackdown on Communist agitation. In addition to the dead there were 17 wounded.

The victims were in a parade of several hundred students marching toward the government palace to protest curtailment of civil liberties under the "state of alarm" imposed Sunday by President Carlos Castillo Armas' regime.

About half the marchers were girls. One girl was wounded. So was a policeman.

The state of alarm put Guatemala under a form of martial law. The government said it was necessary to prevent "seditionary disorders" plotted by Communists.

Soon after last night's shooting, the government ordered censorship of news dispatches sent abroad.

The students marched defiantly from a meeting at the university. Officials had sent them a warning message that they would be "swept from the streets" if they attempted to stage a protest.

A witness said a detachment of about 20 policemen, drawn up across the avenue outside a movie theater, ordered the marchers to halt.

"The police fired into the air," the witness reported. "The students kept coming, singing the national anthem."

"Police then started firing into the marchers, while police reinforcements rushed up. Some police were firing pistols, others submachineguns."

"As soon as the firing started, the students ran to doorways and behind parked cars."

"Two squads of police walked to a group of students on 11th Street between 6th Avenue and an alley, firing on them from both sides. Some students fell, some held up their hands and were captured. I saw six boys fall."

There have been repeated disturbances in Guatemala since Castillo Armas overthrew the Communist-supported government of Jacobo Arbenz Guzman in 1954. The President has blamed them on underground Communists he claims are receiving foreign aid.

## Storms Bring Moisture, Rain To Missouri

KANSAS CITY (AP) — Scattered thundershowers brought moisture to west and north portions of Missouri early Tuesday, and another storm showered the southeast corner of the state.

Rains were reported from many stations in the northwest and central portions, with drought-stricken Bethany reporting .59 inches of rain.

Lexington had a total of 1.51 inches, and Grant City 1.31. Other rainfall reports included: St. Joseph, .30, Columbia .72, Edgerton, .73, Odessa .84, Waverly .20, Fairfax .56, Burlington Junction .68, Mercer .52, Pattonsburg .70, Chillicothe .16, Oregon .53, Polo 1.34, Skidmore .56, Maryville .50, Pleasant Hill .52, Kansas City .33, New Madrid .12, Caruthersville .03, Hannibal 1.60, Edina .38, New London .61, Louisiana .51, Steffenville .50.

Temperatures over the state early today were in the 60s and 70s ranging from 67 at St. Joseph to 75 at Joplin.

The outlook is for partly cloudy skies northwest, considerable cloudiness with scattered showers and thundershowers in east and south this afternoon and evening, and in east central and extreme south tonight.

## Arrests in Plot To Kill Cuban Head Official

MEXICO CITY (AP)—Mexican police say the arrest of 20 Cuban exiles has brought to light a well-planned, widespread plot to kill Cuba's President Fulgencio Batista.

Target date for the assassination attempt was late July, officials reported, with simultaneous uprisings planned in Havana and 10 key cities.

Informed sources said a report of the investigation alleged that exiles from Argentina, Peru, Panama, Guatemala, Costa Rica, the Dominican Republic, veterans of the Spanish Civil War and others were involved.

They said the investigators also stated that seized correspondence showed affiliated groups were operating in Miami and Tampa, Fla., New York, Costa Rica, Panama, Guatemala and in various Cuban cities.

There was no suggestion of Communist involvement, however. And officials said former Cuban President Carlos Prío Socarrás, now a refugee in Miami, also was not implicated.

First arrests here were made last Friday. Authorities said the names of 40 leaders had been obtained, but that many escaped a police dragnet after word of the roundup leaked out.

Officials said one special group was being trained in long-range rifle fire as part of a plan to cut down Batista from a distance.

Police identified the top man arrested here as Fidel Castro, a fugitive from a 15-year Cuban sentence for leading a 1953 revolt against Batista.

The report of the investigation into the arrests here was to be turned over to the Interior Ministry. Mexican law forbids plotting against a friendly nation.

## Names Massive Lock For Eisenhower Fame

MASSENA, N. Y. (AP)—After a massive lock of the St. Lawrence Seaway project was officially named for President Eisenhower, construction workers came up with their own name for an adjoining earth dam.

They call it "Eke's Dike."

## Radar, WWII Secret, Now Nabs Speeders

By ROGER D. GREENE  
The Associated Press

A hush-hush secret of World War II is fast becoming the nation's No. 1 highway speed cop.

It's radar. With police radar now operating or licensed in all 48 states — and new magic-eyes sprouting along U.S. highways at a rate of more than 50 a month—spot checks indicate that arrests for traffic violations are soaring from coast to coast.

As a result, more and more cities are being raised that radar is being used as a new and deadly efficient form of speed trap.

"Radar and other types of devices are being employed to trap motorists rather than promote highway safety," says Harold Powell, chairman of the American Automobile Assn. Legal Committee.

Philip J. Martin, attorney for the Chicago Motor Club, contends:

"The flagrant misuse of these devices is becoming a serious menace to the entire motoring public."

As broad policy, the AAA approves the use of police radar strictly for safety enforcement — but not for raising revenue.

Law enforcement officials almost unanimously endorse radar and other electronic speed timing devices as key weapons in combating death on the nation's highways.

To the unhappy motorist who complains, "A guy hasn't got a chance any more," police reply: "This isn't a game. It's a matter of life and death." Lawmen see radar as one more means of cutting down traffic accidents which last year killed 38,300 persons and injured 1,350,000.

The principle on which the new speed check operates is similar to that of an ordinary echo. The radar sends out a steady flow of high frequency radio waves. When the waves strike a solid object, they are bounced back to the sending point.

When the waves strike a moving object, such as a car, their return is accelerated. The oncoming car's speed can be fixed by the rate of this wave acceleration.

Motorists aren't the only persons who hope that some way will be found to prevent abuse of the new system.

In Manchester, Conn., merchants protested that "wholesale arrests" via radar were causing motorists to give the town a wide berth. Their businesses were being hurt.

Citizens of Madison County, Ala., set up a traffic defense committee to aid motorists who complained of being unjustly arrested by radar-equipped police.

Gas lights were used for the streets of London as early as 1807.

**YOU'RE BETTING ON THEM**—The ladies behind the massed telephones, that is. Police officer near blackboard isn't raiding a bookie joint. He's standing near the code board at the Pasadena, Calif., Air Filter Center, where reports from some 350 volunteer-manned ground observation posts are correlated. Symbolic of the Air Force-volunteer enemy aircraft detection system, this center is soon to have its horizontal plotting board (not shown) replaced with vertical, floor-to-ceiling facilities.

## Hal Boyle's Column--

## Cornelius Whitney Returns To First Love--Movie-Making

By HAL BOYLE

NEW YORK (AP)—Multi-millionaire Cornelius Vanderbilt Whitney may not be America's No. 1 movie fan—but he rates high on the list.

"You always go back to your first love," he said, while discussing his active re-entry into the field of movie-making.

As president of his own independent corporation, Whitney has outlined an ambitious production program that will keep him busy for years. He is bullish on the long-term future of motion pictures, despite the heavy inroads made by television.

"The box office is going downhill, but I feel that is a temporary thing," he said. "What is needed? More quality pictures and special attractions that will draw people away from their TV screens."

"The major studios have a real problem in trying to turn out 40 to 60 pictures of the quality that today's public demands. I know I couldn't do it. There isn't that much talent available."

The Whitney bankroll has played quite a role in the movie world in the past. He helped finance Technicolor, Cinerama, and half a dozen notable David Selznick pictures, including "Gone with the Wind."

Whitney still retains a one-eighth interest in the highest grossing film of all time.

But in his new company Whitney is pouring in more than money. "I am now devoting the major part of my time to it," he said.

"We want to make nothing but top quality pictures. Our goal is to portray life faithfully, and I promise that none of our pictures will ever misrepresent or paint a false picture of the United States or its people."

Whitney, descended from Eli Whitney, inventor of the cotton gin, flew as a pilot in the World War I, and served as a colonel overseas in the second.

His business interests have ranged from mining to airlines. He was one of the nation's top polo players and at 57 still enjoys an active game of tennis. He likes to paint and fish. He owns one of America's best known racing stables. He is a director of the Metropolitan Opera and the American Museum of Natural History. He authored a book of his war experiences called "The Lone and Level Sands."

Whitney has three themes about which he hopes to center his future films: American history and American life, nature drama, and fantasy.

The first of six pictures already planned, "The Searchers," starring John Wayne, has been released.

Whitney, like most other movie magnates, is plagued by the problem of finding a good story worth putting a lot of money and talent into.

"The trouble is that great stories don't come along every month—or every year," he said wryly.

## Van Natta 4-H Club Plans July Social

The Van Natta 4-H Club met with Russell Lewis June 22.

Mary Ann Lewis gave a talk on the community water check and testing. Doris Hancock reported on the clothing II project meeting.

Larry Bob Lewis gave a demonstration on "How to Use a Pressure Sauce Pan."

Plans were discussed about the community 4-H ice cream supper and fireworks display July 4 at the home of George Albert Buchholz.

There were eight members, two leaders and four visitors, Langdon Stark, Jackson, Neb.; Fred Harding, LaMonte; George Buchholz and Russell Lewis, present. The next meeting will be July 20 at the Buchholz home.

**Ira B. Perdue, USN, Ends Study Course**

Ira B. Perdue, USN, Olathe, Kan., arrived Saturday in Green Ridge to spend a 15-day leave with his parents, Mr. and Mrs. I. B. Perdue and son, Jerry Lee.

He has just completed a course of study at the Air Controlman's School at the Olathe Naval Base.

Following his visit, he will report for further duty in the Navy at Brunswick, Me.

## Dinner Given For Birthday Of Mrs. Widel

By Mrs. M. R. Gillespie  
**BLACKWATER**—Mr. and Mrs. Bud Griffith entertained at dinner in home of their daughter, Mrs. A. J. Widel, whose birthday is in June. Beside the honoree those present were Mr. and Mrs. Buddy Griffith, Jr., daughter, Kim, Kansas City; Mr. and Mrs. Dick Kammer, Arrow Rock; Mr. and Mrs. Curtis Davis, Mr. and Mrs. William T. Bagby, sons, Terry and Larry, A. J. Widel and their daughters, Jane Kay and Joan Fay and James Roy Davis.

Mr. and Mrs. Martin Carignan, who are moving from Lawton, Okla., to Kansas City, visited recently with their mother, Mrs. Bud Corbin, and Mr. Corbin. They were accompanied to the city by Mr. and Mrs. Corbin and daughter, Teresa, who returned home that evening. Mr. Lawton, who is with the Central Air Lines, was transferred from Lawton to Kansas City.

Mr. and Mrs. Earl Brockway went to Augusta, Mich. for a visit with their son-in-law and daughter, Dr. and Mrs. Warren Speers and daughter, Jan.

Maj. and Mrs. J. D. Anderson and two daughters left for their home at Dayton, O. after a week visit here with his parents, Mr. and Mrs. Jimmie Anderson. Their

three sons remained for a longer visit with their grandparents.

Mr. and Mrs. Carl LaBoube and daughter have moved to their property they bought recently of O. A. Keeney. Mr. and Mrs. Clayton Hooper and daughter, who have occupied this residence for several years moved to the property vacated by the LaBoubes and known as the Mustain place.

Mrs. May Willis accompanied her brother, Eugene Kinchele, and Mrs. Kinchele to Kansas City Sunday June 17, where they were dinner guests of their brother-in-law and sister, Mr. and Mrs. Ed Eskew. Mr. Eskew entered St. Joseph Hospital, Kansas City that afternoon and underwent surgery on Tuesday.

## Mrs. J. Elkins Guest of Honor At Bridal Shower

Mrs. Jim Elkins, the former Miss Rosalie Ruffin, was the guest of honor at a bridal shower held at the home of Miss Sue Harbit near Green Ridge, with Miss Mary Ann Lewis as assisting hostess, on May 31. The gifts were placed on a table which was decorated with blue and white streamers and centered with a large blue and white umbrella.

A number of games were enjoyed and the prizes were presented to Mrs. Elkins.

Refreshments were served to the following: the honoree and her mother, Mrs. Prince Ruffin, Green Ridge; Mrs. Anne Miller, Windsor; Mrs. Emmett Ruffin, Miss Barbara Needy, Miss Shelley Sue Morrow, Miss Anna Lee Skidmore, Miss Carol Ransdall, Miss Doris McNutt, Miss Rosalee Alexander, Miss Ruth Lemler, Miss Jackie Kendrick, Miss Gwendolyn Arnett, Miss Evelyn Shipp, Mrs. Shipp, Mrs. Russell Lewis, and Mrs. Waldo Harbit.

Others unable to attend, sent gifts.

## Camp Branch Club Has Style Show by Girls

The Camp Branch Homemakers Club met June 19 at the home of Mrs. Leroy Ryan with Mrs. Albert Tucker presiding.

The group discussed what the club will do next year. The Father's Day picnic was called and an ice cream supper planned for July 20.

Donna Templeton, Anna Louise Stevens and Ellen Hoard, students at Green Ridge High School and FHA members, gave a style show on dresses and sport clothes they had made in school.

A demonstration of embroidering on huck toweling was given.

Nine members answered roll call with "One Way I Resist Pressure Buying."

There will be a magazine exchange at the next meeting, July 10, at the home of Mrs. Jack Stevens. Each member is asked to bring some magazines.

## Barry Wayne Law, 3, Celebrates Birthday

A birthday party was given Barry Wayne Law on Friday afternoon, June 15 by his mother, Mrs. Charles Law, at the home of her parents, Mr. and Mrs. A. G. Schreck, Tipton. Barry was three years old.

Those present were Sandra Bookout, Virginia and Billy Linds, Ruth and Leonard Knipp, Linda, Kenneth and Keith Kutenkuler, Janice, Joe and Marilyn Miller, Rose Mary Oligschlaeger, Hedy, Jane and Rene Reibenspies, Debbie and Rex Scott, Gerald, Geraldine and John, Jr. Verlinden, Gail, Randy and Brenda Law.

Barry Wayne received many nice gifts.

Refreshments consisted of ice cream, cup cakes, kool aid and candy.

## Holds Family Dinner

Mrs. Dora Heim, Sr., Pilot Grove entertained with a turkey dinner in honor of her husband on Father's Day. Present were their children and families: Mr. and Mrs. L. D. Luechert and two sons, Kansas City; Mr. and Mrs. Elwood McKinney and sons, Sedalia; Mr. and Mrs. Dora Heim, Jr. and family and Mr. and Mrs. Ralph Embrey and son, Blackwater.

## The L. J. Wrights Have Anniversary Dinner

Mr. and Mrs. L. J. Wright Sr., 623 East Tenth, observed their 33rd wedding anniversary Sunday, June 24, and a basket dinner was held in their honor at Liberty Park. Sharing the honors with them were their daughter, Mrs. H. C. Rugen, Jr., whose birthday was Friday, June 22, and her husband, H. C. Rugen, Jr., whose birthday anniversary was June 25.

A large cake, baked by Mrs. L. J. Wright, Sr., centered the table.

Attending the dinner were Mr. and Mrs. L. J. Wright, Sr., Mr. and Mrs. H. C. Rugen and sons, Bobby and David; C. F. Fischer and daughter, Mrs. Francine Hawley and Donna and Bobby Hawley, Mrs. W. S. Motz, Mrs. J. L. Wright, all of Sedalia; Mrs. Katie Thompson, Jackie and Mary Ann, Mr. and Mrs. Dick Robertson and son, Billy, all of Tipton.

Several nice gifts were received by honored guests.

On Saturday night Mr. and Mrs. Wright received a long distance call from their son and his wife, T. Sgt. and Mrs. Walter J. Wright at Sacramento, Calif., to wish them a happy anniversary and tell them they and their little daughter, Ruth Ann, would like to be home for the celebration.

## Manila Homemakers Plan Family Picnic

The Manila Homemakers Extension Club met June 20 at the Community Center with the vice-president, Mrs. Virgil Alderman officiating. A contributive dinner was served at noon by Mrs. Ella Haefner as hostess, assisted by Mrs. W. M. Riecke.

The devotional was given by Mrs. Paul Rothenberger. The minutes were read and approved. The group voted to have a family supper at the center July 4.

Mrs. B. E. Hunten and Mrs. Glen Hunter gave a demonstration as did Mrs. Bob Bailey.

Eleven members answered roll with "What Makes a Homestead Attractive." A flower is being sent to the president, Mrs. Cecil Canoll who is ill.

The next meeting will be with Mrs. Paul Rothenberger assisted by Mrs. Charlie Young.

## Knob Noster Garden Club Has Program

The Knob Noster Garden Club met with Mrs. C. C. McClanahan Friday afternoon with 11 members present. Guests were Mrs. Earl Sappington and Mrs. Wallace Lipscomb, Brownsville, Tex.

Mrs. Virgil Lane, president, conducted the business meeting.

Mrs. Robert Thompson was in charge of the program. Mrs. Sappington and Mrs. Lipscomb told of different varieties of flowers in Brownsville. Mrs. T. M. Crowder gave a paper on "Roses," and Mrs. Lane, Mrs. W. J. Carr, Mrs. C. F. Covey and Mrs. P. G. Utley told of the state garden club convention which they attended recently in Springfield.

Mrs. McClanahan served refreshments and gave each one a iris bulb.

The American jumping mouse uses its tail as a balance in jumping; turning over and over in the air if it accidentally loses its tail.

## Three Circles Of Immanuel Church Meet

The three day circles of the Women's Guild of Immanuel Evangelical and Reformed Church held their meetings Thursday.

The Ruth Circle met at 10 a.m. in the home of Mrs. Hersel Bremer, 1612 South Carr. A luncheon was served at the close of the meeting with Mrs. Lawrence Gardner assisting hostess.

The devotional service was led by Mrs. Bremer, followed by the business meeting with Mrs. Rival Rhoads presiding. Ready-cut garments to be sewed for Church World Service were distributed with plans to finish the remainder at the July meeting. "Giving generously of time, talent and possessions" was discussed by Mrs. Ernest Liebel.

Mrs. Marshall Blaude, 1434 South Sneed, was hostess to the Mary Martha Circle of which Mrs. Richard Gray is chairman. A dessert luncheon was served at 1:30 p.m.

The worship service was led by Mrs. Earl Oehrke. Mrs. Tom Gray, Jr., read, "Miracle of the Spirit" which is the story of William Larimer Mellon and his wife who were inspired to become medical missionaries through the life of Albert Schweitzer.

The Dorcas Circle held an all-day meeting at the home of Mrs. George Dabner, Route 2, with a contributive luncheon served at the noon hour.

The devotional service was conducted by Mrs. Louise Metcalf and was followed by the business session over which Mrs. John Griesen presided. The afternoon was devoted to sewing six blouses and six shirts for Church World Service.

Membership in the "1000 club," a project of the Kansas City

## Fifth Street WSCS Installs Chairmen

WSCS Fifth Street Methodist church met Thursday at the church. The meeting opened with a prayer service led by Mrs. W. Blain. The program followed with Mrs. Frank Field, program chairman, in charge. The program topic "The World, Beginning In My Community" was given by Mrs. Field and Mrs. P. L. Strole. The regular business meeting followed with Mrs. Dimmitt Hoffman, president, presiding. It was reported that a total of 111 children were enrolled in Bible school with an average of 99 per cent attendance daily.

The circle chairmen were installed by Mrs. E. W. Bartley. The chairmen are Mrs. James Harvey, Mrs. R. E. Taylor, Mrs. Roy Brown, Mrs. Sylvan Woolery, Mrs. R. M. Stonner and Mrs. T. A. Huffine.

Mrs. Myron Lindquist viewed an article from the Methodist Women's an entitled "India's Need for Missionaries." Mrs. Glenn Cox, secretary of Christian social relations, introduced her district chairman, Mrs. John Silsby, who reported on the study book "To Combine Our Efforts For Lasting Peace." Mrs. Silsby opened her talk with the prayer which was written to open the meeting of the Big Four in Geneva last year. She stated that the book was a symposium consisting of five chapters written by five different authors. A film strip was shown by Mrs. Roy Brown and the script was given by Mrs. Silsby.

The meeting closed with prayer by Mrs. W. W. Blain. Luncheon was served at noon by Mrs. Clyde Tharpe and her committee.

Synod of in the interest of giving help to mission churches within the synod, was voted in the Ruth and Dorcas Circles.

The Rev. and Mrs. A. F. Klemme visited at each of the meetings.

## Social Calendar

**WEDNESDAY**  
Wesleyan Service Guild, Fifth Street Methodist Church, church basement, pot luck supper, 6:30.  
Loyal Rebekah Sewing Club, with Mrs. Gladys LeBegue, 922 East 14th, 7:30.

## Rotary Club Installs New President

Installation of officers of the Rotary Club was held Monday night at Bothwell Hotel with K. U. Love installing the following officers for the ensuing year: president, the Rev. Thomas W. Croxton; vice-president, Dr. Gordon Stauffacher; secretary, Keith Yount; treasurer, Leonard P. E. A. D. Y. ; sergeant-at-arms, Jess Brown and directors, Merle Vaughan, James Denny, Aubrey Case and William C. Hopkins.

The speaker of the evening was Dean Irvin L. Peters, Central Missouri State College, Warrensburg, governor elect of District 195, Rotary International.

As the governor elect of District 195, Dean Peters had the privilege of spending eight days at Lake Placid with 760 Rotarians and Rotarians, where 203 of the group were governor nominees from all over the world. No other group, said Dean Peters, has the potentiality of understanding and peace that this group had as they sat with earphones where they could tune in on those who spoke a different language. There were representatives from 51 different countries, he said, and every time he sat down he had new neighbors. They were meeting in harmony, peace and understanding, seeing each other's point of view with no discussion.

Dean Peters was reminded while at the meeting that during the war Germany, Japan, Italy and others had dropped out and now they were all back. The new international president is Paul Lang, an Italian. He saw Rotary through new eyes, Dean Peters said. It is all a matter of perspective.

The meeting was presided over by Del Heckart, retiring president, with invocation by the Rev. Thomas W. Croxton. Singing was led by James Denny with Miss Lillian Fox at the piano.

Program chairman for the evening was Dr. Stanley Fischer, who introduced Dr. Croxton. Having recently returned from the convention of Rotary International held at Philadelphia Dr. Croxton gave his impressions of the great convention. He told of the music and the part it played throughout the convention, especially of Patricia O'Brien, young singer who appeared in a wheelchair because she is paralyzed from her waist down. He touched on the various speakers who talked at the convention, told particularly of the talk by Harold Stassen on "Peace" which he said was a call to the country now as one of watching, being alert, and having patience at working for peace. Peace, Stassen said, is such a big program.

Dr. Croxton stated Rotary Clubs are now in 99 countries.

The music part of the program was presented by Charles Hoffman, violinist, accompanied by his brother, Arthur Hoffman, who played two numbers for which they received much applause. The talented young musicians are grandsons of Rotarian Arthur M. Hoffman.

The faithful accompanist for Rotary group singing Miss Lillian Fox, delighted her audience as always when she played a piano solo which she dedicated to the retiring president, Del Heckart, and Mrs. Heckart. The number was "Sweet Sue," their only child being named Sue.

The gavel was then turned over by Del Heckart to Dr. Croxton. Heckart stated that the past year had been one of the most joyous experiences of his life and that 16 members had been taken into the club during the year. He told Croxton that the most important thing is faith in Rotary and it was such faith that Don Lamm and Guy Peabody had at the beginning of Sedalia Rotary Club and still have.

Mrs. Heckart was then presented a gift with Bill Hopkins making the presentation. He also presented the table arrangement of red carnations to Mrs. Croxton and the Rotary past president's pin to Del Heckart.

## OBITUARIES

### Neal B. Wallace

Neal B. Wallace, 68, Route 1, Smithton, died at the Bothwell Hospital at 5:25 p. m. Monday. Mr. Wallace had been a patient there the past two weeks.

He was born March 1, 1888, at Beaman, the son of the late Hamilton and Emma Thompson Wallace. He had been a resident of the Beaman and Smithton communities, engaged in farming, most of his life.

He was a member of the Providence Baptist Church where he held the post of deacon.

Mr. Wallace was married to Miss Mary Thomas in 1922. She survives him at the home.

Also surviving are three nieces, Mrs. Edith Rissler of 104 South Prospect, Mrs. Edna Schupp, of 1839 South Warren, and Mrs. Opal Blumh of Route 2, Sedalia. One brother, Leland Wallace, and one sister, Adelia Wallace, preceded him in death.

The body was taken to the Gillespie Funeral Home.

Funeral services will be at the Gillespie Funeral Home at 1:30 p. m. Wednesday the Rev. Henry Hansen, pastor of the Boonville Street Baptist Mission, to officiate. Russell Maag will sing "Last Mile of the Way" and "The Lord's Prayer". Miss Lillian Fox will be at the organ.

Pallbearers will be Roy Spears, George Stamberger, Ben Potter, Logan Siegel, Jack and Ernest Cramer.

Burial will be in Crown Hill Cemetery.

### Roy Abbott McCain Rites

Funeral services were held at 2 p. m. Sunday at the Lincoln Baptist Church for Roy Abbott McCain, who died unexpectedly at his home there June 21 of a heart attack.

The Rev. Eddie Wolfe, New Madrid, and the Rev. Ronald Rasch, pastor, officiated.

Jack Burges, Springfield, sang a solo with Miss Rama Joy McCubbin at the organ.

Active pallbearers were John Guthrie, Ira Foster, Oren Moor, Lawrence Henry, L. W. Nichols and Robert Drake. Honorary pallbearers were Irving Davis, Morris and Merlyn Fields, Roy McCubbin, A. B. Hansen, George Roark, Robert Rigby, Lloyd Ewen, Glen Lohman, R. G. Carney, Roscoe Grundwall, Dr. Carl Baslee and Dr. T. R. McBe.

Mr. McCain was a member of the Lincoln Baptist Church and a charter member of the Lions Club of that place.

Survivors include: his wife, of the home; two sons, Harold, McCain, 207 West Broadway, Sedalia, and Norman McCain, Versailles; two daughters, Mrs. Russell Ball, Tulsa, Okla., and Mrs. James Mayberry, Marion, Kan.

### Mrs. Mary J. Ray Rites

Funeral services were held Sunday afternoon June 24, at Bethel Camp Grounds, near Edwards, for Mrs. Mary J. Ray, 92, who was killed in an automobile accident in Kansas while enroute to Cross Timbers to visit with her children there and in the Frisco community.

Mrs. Ray had been living with a daughter at Hobbs, N. M. Most of her lifetime had been spent in Benton County.

Surviving are two sons and two daughters, Elmer Ray and Mrs. Fittsner, Hobbs, N. M.; Frank Ray and Mrs. Ethel Estes, Frisco, of Route 1; several grandchildren, great-grandchildren, nieces and nephews.

Mrs. Ray was a Wiseman before her marriage to Jim Ray, who preceded her in death 27 years ago.

### Bomber Crashes, Kills Three-Man Crew

SALINA, Kan., (AP) — A B47 bomber crashed and burned in a wheat field near Salina early today, killing a three-man crew aboard.

The plane, out of Smoky Hill Air Force Base here, was returning from a routine training mission when it apparently exploded, military authorities said. Wreckage was scattered a mile.

Names of the dead were withheld pending notification of kin. One body and parts of another were found near the crash scene.

The control tower was in contact with the plane four minutes before it crashed, and the pilot gave no hint of trouble, base officials said.

Several acres of wheat stubble burned in the resulting fire around the site. Nearby telephone lines were damaged.

A board of inquiry will seek the cause of the crash, the Air Force said.

### Meet to Map Common Front on Challenge

LONDON, (AP) — Prime ministers of Great Britain's globe girdling Commonwealth will meet here tomorrow to map out a common front toward Russia's "competitive coexistence" challenge to the West.

The representatives of 575 million people, in their seventh post-war conference, will center their key discussions on changes in Russian policy and their meaning for the non-Communist world — a theme broad enough for the delegates to examine the whole picture of world affairs.

Prime Minister Eden will preside for the first time over the conference at his official residence, No. 10 Downing St.

W. L. FOUST HOME—Capt. and Mrs. W. L. Foust, 1609 West 13th, were awarded third place for June for the yard among homes built after 1950.

## Sedalian Makes High Bid for Bicycle On Television Show

Billy Lee Cook, 10, son of Mr. and Mrs. C. Haskell Cook, 725 West Third, came home Saturday from Kansas City with a bicycle he acquired from collecting the empty bags of a potato chip product. Billy has been collecting them all summer and saved up enough to become a winner on the final show. He was accompanied to Kansas City by his parents.

## Has Third Multiple Birth in Five Years

THOMASTON, Ga. (AP) — A 23-year-old Thomaston woman gave birth to twins Monday—her third multiple birth in five years. She is Mrs. Christine Hagans, whose quadruplets were the first ever born in Upson County. She has given birth to eight children in five years—all girls. Five survive.

The new twins, both doing well, were born at the home of Mrs. Hagans' mother, Mrs. Aggie Simmons. A midwife attended and the twins are now in an incubator at the home.

Proud of their new sisters are the three surviving members of the quadruplets born at Upson County Hospital Feb. 19, 1953.

A set of twins born to Mrs. Hagans prior to the quadruplets died at ages three months and four months.

"I'm mighty proud of my girls," Mrs. Hagans said, "and I guess maybe next time I'll have five."

## Settles Damage Suit For \$85,000 in Court

CHICAGO (AP)—A man who was hit on the head and seriously injured by an ink bottle dropped from a seventh floor window of the Central YMCA settled his \$250,000 damage suit for \$85,000 yesterday.

The injured man, Leroy W. Hayman, 39, of suburban Evanston, was unconscious six weeks and in the hospital 5½ months after he was injured Oct. 13, 1953, while walking past the YMCA.

Hayman, an editorial supervisor for an encyclopedia publisher and a lecturer in the University of Chicago's university college, walked with a slight limp in court. He said a tendon contracted in his left leg.

He has undergone several brain operations.

The settlement of his suit against the YMCA was announced before Judge Ezra Clark in Circuit Court.

Police said Robert Neumann, then 15, a part time janitor in the YMCA, had admitted dropping the ink well.

Hayman accused the YMCA of negligence.

## Post Office Gets Second Safety Award

A second "Special Citation for Contributions to Highway Safety" in 1955 has been awarded the Post Office Department by the National Safety Council, Postmaster General Arthur E. Summerfield reported today.

Summerfield said he will accept the award "on behalf of thousands of postal people who have led and stimulated local safety programs for postal vehicles over the nation." Acceptance ceremonies will be scheduled soon.

"The Post Office Department a few years ago had one of the worst traffic accident records in the entire Federal Government," Summerfield recalled, in commenting on the award. "In 1953, the Department initiated its first intensive safety program, which included safe driving instructions, as well as driver examination and physical reaction tests."

"As part of this program, the Department's first Safety and Health Division in the Bureau of Personnel was activated and staffed with experts in industrial safety, health, motor vehicle and traffic safety."

"This National Safety Council Citation for 1955 — the second consecutive annual award of this type to be received by the Post Office Department as a result of its new Safety Program — symbolizes a major achievement in the saving of lives and property."

Typical of the Post Office Department's safety accomplishments in 1955, accidents involving postal vehicles were reduced from 13 to 4 per 100,000 miles driven in metropolitan areas, Summerfield noted.

"The enthusiasm with which all postal people have accepted the Safe Driving program," Summerfield added, "has been a primary factor in this second special traffic safety citation being awarded to the Post Office."

"Postal employees have carried their enthusiasm, their new safety knowledge and their new know-how into the safety programs of thousands of American communities. Everywhere postal people have been leaders in the planning and programming to improve community traffic safety."

"Also, as part of their safety efforts, postal people voluntarily are conducting improved driving classes for community and service organizations on their own time in their towns and cities."

"In connection with national and local vehicle safety inspection programs, postal vehicles everywhere have been checked for safety of equipment — windshield wipers, brakes, lights and horns."

"The Department's two consecutive awards were won on basically these points:

"1. The part postal people all over the country have played in stimulating further local community safety programs."

"2. Post Office Department cooperation in participating in national and local safety programs."

"3. The work postal personnel have done in establishing better working relations with local traffic authorities to integrate transportation and delivery patterns with the one-way street and no-parking plans of various communities."

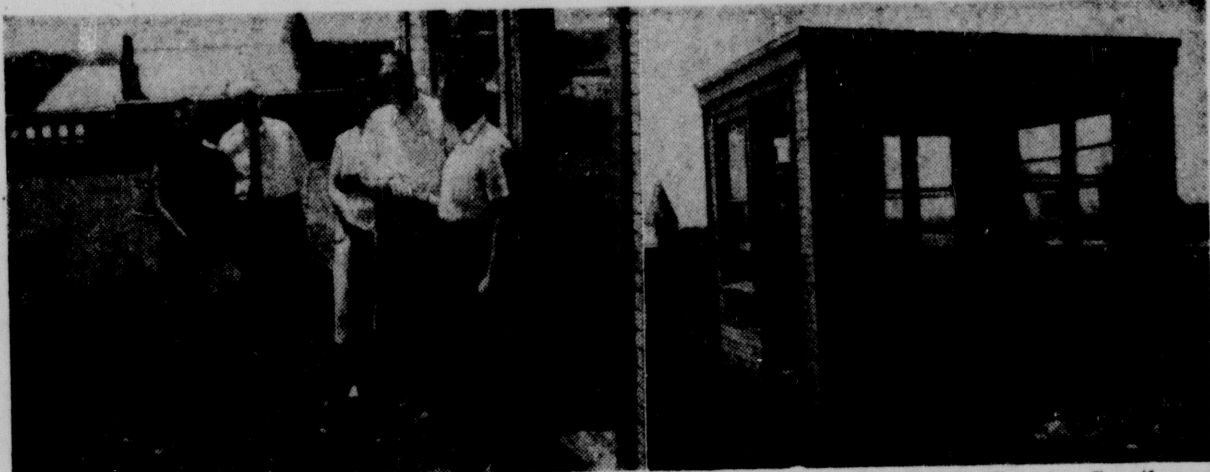

"This latest Safety Council Award, therefore, is one of special significance because the Postal Establishment, with its 85,000 vehicles possesses the largest fleet of vehicles in the world. Postal drivers operate in every city, town and hamlet of the nation — and on the country roads and back lanes as well. They are everywhere. And they operate in all sorts of weather, under all sorts of conditions. Their dedication and devotion to duty in winning this citation has been heartwarming."

Poetry in a Will  
MONTGOMERY, Ala. (AP)—Robert S. Stanford, a piano tuner, left a two-stanza poem as a will bequeathing his estate, of undisclosed size, to his widow.

As probated, it read:  
"These few lines shall be my will,  
And my request when I am old  
and still,  
All my property, both personal  
and real,  
I leave to my wife after the  
funeral bill.  
Even my dog and his covey of  
flea's . . .  
To sell, or trade or do as she  
please.  
I don't want her in an embarrassing  
fix,  
So will let her be the administrator.  
There shall be no bond for her to  
make  
Or I'll do my best my corpse to  
wake."

**NEW OBSERVER POST**—The building on the right is on top of the Pettis County Courthouse and was constructed by the county and local Ground Observer Corps. In the picture on the left, Mayor Julian H. Bagby congratulates Milton Jones, post supervisor, on the opening of the new post. Others inspecting the post for the first time are from left to right: Mrs. Maude Freidebach, Charles Hanna and Mrs. Vivian Warren. The post will be manned part-time until more volunteers are obtained.

## Volunteers Will Keep Watch—

## Pettis County Ground Observer Corps Has New Observation Post on Courthouse Roof

On top of the Pettis County courthouse is located the observation post for the Ground Observer Corps which is an organization of men and women who have volunteered to watch the skies for unidentified planes which they will report to the filter center at St. Joseph immediately. There must be precaution against surprise air attack and since radar has weaknesses there is need for a 24-hour day of eyes on the skies, eyes of volunteer observers who will give a couple of hours a week of their time for the protection of their country, their city, their homes.

## Vacationists Make Visits At Syracuse

By Mrs. B. A. Bridges  
SYRACUSE—Mr. and Mrs. Harry Keovil had as their guests over the weekend their sons-in-law and daughters, Mr. and Mrs. G. W. Harrold, Marion, Ill., and Mr. and Mrs. Elmer Klein and two sons, who are living in Columbia while Mr. Klein is attending summer school.

Mr. and Mrs. Richard Pelcher, Ottumwa, Ia., visited from Friday to Sunday with Mrs. Lola Petree and family. Mrs. Petree, Darlene and Jack accompanied them home and will visit Mr. and Mrs. Paul Pelcher, Ottumwa, for two weeks.

Guests last week of Mr. and Mrs. Eldon Brubaker were the former's mother, Mrs. E. J. Brubaker, St. Louis, and his brother, Vincil Brubaker, Los Angeles, Calif.

Mr. and Mrs. Albert Faulwell Jr. and family, Los Angeles, Calif., are here on a month's vacation. They are spending most of their time with Mrs. Faulwell's parents, Mr. and Mrs. Ed Thiel, California, and visiting other relatives and friends in Syracuse.

Mr. and Mrs. Estel Perkins have had as guests recently, one of their sons, Mr. and Mrs. Theroid Perkins and family, Louisville, Ky. Mrs. Perkins' brother, Mr. and Mrs. Lawrence Routon and daughter, Phoenix, Ariz., and a sister, Mrs. Ray Ripple, Barnett, were also guests. Two of Mr. Perkins' sisters, Mrs. Eli Neff, Youngstown, O., and Mrs. George Bartley and daughter of Pennsylvania, visited Saturday. Linda and Mary Fowler, Harrisonville, are visiting their grandparents for two weeks.

**YOUR EYES AND VISUAL FUNCTIONS**  
What is the truth about sun glasses? Should they be green, brown, smoke or neutral colored? Should they be very dark or only medium tint?  
These are questions which no one but your vision specialist can answer for you. Only he can know the condition of your eyes, whether or not you will be benefitted by tinted glasses and, if so, what color and shade will be best suited to your needs.  
For all who use glasses it will be best to have your regular lens prescription adapted in suitable tint for only so will your eyes and vision be protected. Outdoor activities become much more enjoyable thru the use of these protective lenses.  
As extra glasses, made from your prescription, the cost is so low that any one who values priceless vision and wishes to protect it can easily afford this added comfort.  
It should be noted that sun glasses are made for protection and use only in the sun and should not be worn indoors or after sun down unless specifically prescribed for constant use.  
The Missouri Optometric Association suggests that you consult your vision specialist when you think of getting a pair of sun glasses.

## Leave Space For Shoppers...

To stimulate trade is naturally good business, so let Sedalians show some appreciation for Sedalia Appreciation Days coming up Friday and Saturday, June 29 and 30.

Sedalia merchants working closely with the retail division of the Chamber of Commerce have gone to a lot of effort preparing for these two big days. Arrangements have been made for free parking space at meters. This, of course, will be a tempting opportunity for store employees, and bosses also, to get free parking privileges for two days. Sedalians who do that are not loyal to their town. They retard retail shopping. Unless there is a bigger turnover the community might just as well become a suburb of a metropolitan area.

Sedalia can't afford to let its downtown shopping area dry up. That's what will happen unless something is done about the parking problem. The least employees and bosses can do to help themselves is leave their cars at home or out of the shopping district on two days — Friday and Saturday.

Sedalia has always been a welcome spot for rural shoppers and nothing should be done to discourage them or those living in town, either, from finding a place to light on the special occasion of Appreciation Days when the merchants have gone to such lengths to provide bargains in merchandise. Swim tickets for children under 16 will be given out with purchases.

Buses will operate from 9 to noon on Appreciation Days offering free rides for those people coming down town to shop. The ride back will cost only a dime.

Revival of bus service these two days we hope will be a prelude to establishment of regular daily service. If Appreciation Days inspire the public to appreciate the value of bus service to our community, a big step forward will have been made in solving the downtown parking problem.

Bus operators have applied to council for approval to start such daily service. The matter is on council agenda for next month. Re-establishment of bus service in Sedalia should be encouraged. Once started its success will depend on a well designed promotional campaign to stimulate people to use these vehicles instead of bringing their own transportation with them every day to jam up the shopping district.

Sedalia merchants of the retail division of the Chamber of Commerce have been wrestling with the parking and bus problem for a long time. It appears results will be obtained only with public cooperation.

Sedalia merchants in every location appreciate the support rural and city shoppers have given them in the past. Again they extend a special welcome to Central Missourians to join in Appreciation Days, Friday and Saturday of this week.

Plan now to come.

### Washington Merry-Go-Round—

## Objects to Emergency Inhalator Story

By Drew Pearson

WASHINGTON — On Thursday, June 7, the day before President Eisenhower was taken ill, an incident occurred which bears on the question whether those around him had been keeping from the public the true facts about Ike's health — perhaps also from Ike himself.

In brief, Maj. Gen. Howard Snyder, the President's personal doctor, requested that this column not reveal that the White House had been given an emergency oxygen inhalator to be carried in Ike's car or his plane.

The incident, taken by itself, was not important. When linked with other statements by Dr. Snyder such as omission of any word about ileitis, during the "head to toe" medical report, it indicates that the men around Ike are doing what Democrats around Woodrow Wilson and Franklin Roosevelt did when these two Presidents were ill.

An emergency inhalator is the equivalent of a portable oxygen tent. This was the emergency treatment given the President when he became ill in Denver.

When I learned that the emergency oxygen inhalator company had offered to supply an inhalator to the White House, I asked Jack Anderson, my junior partner, to check the details further. He talked to Donald Demarest, a salesman for the company, and confirmed that the company had offered an inhalator valued at \$117.50 to the President on the encouragement of Dr. Paul D. White, the Boston heart specialist, Snyder Demarest.

Later Demarest telephoned to say that General Snyder wanted Anderson to call him. Anderson promptly called.

General Snyder, who spoke in the tone of one accustomed to giving orders, said he didn't want any publicity about the emergency oxygen inhalator. "Where did you get this information?" he also demanded.

Anderson said he was sorry but he could not reveal his news source. He also explained that he could not make the decision as to whether the story would be used. That would be up to me.

"Publicity about this," said General Snyder firmly, "would harm our President."

"How would it harm the President?" Anderson asked. By this time Snyder was getting aroused and rough.

"What would the Democrats say?" he barked. "It would give the impression the President needed oxygen inhalators. It would work to

the worst interest of our President if anything is said about this," he repeated.

Anderson replied that he would report the entire matter in detail to me.

Snyder Thunders

"You can't quote me," shouted General Snyder.

"But you requested me to call you," General Snyder was reminded. "Nothing has been said about this conversation being off the record. And when a public official calls a newspaperman to volunteer a statement or an explanation, it is not off the record."

"All right," thundered General Snyder. "Go ahead! Use the story! I have a witness here!"

He hung up.

A few hours later, by some unfortunate twist of fate, President Eisenhower was tragically stricken and rushed to the hospital for an emergency operation.

At first I decided to accede to General Snyder's wishes and not publish the relatively unimportant fact that the White House had been offered an emergency inhalator. However, in reviewing the conflicting and confusing statements General Snyder has made about the President's health, his objection to this relatively unimportant news item becomes an important part of the news picture.

It is published herewith so the public can judge whether both it and perhaps the President himself are being denied the true facts about the health of the most important government leader in the world.

Washington Pipeline

Secretary of the Treasury George Humphrey and Budget Director Brundage have warned the senators privately that no matter how much extra money they vote for the Air Force, the administration will not spend it. Humphrey intends to balance the budget even if he has to impound the money Congress votes for a bigger Air Force. . . . Egyptian Premier Nasser has agreed to visit Yugoslavia to talk with Marshal Tito about a new left-wing bloc of countries that will cooperate with Russia but refuse to take orders. India's Premier Nehru also has been secretly invited.

Political-Go-Round

Chairman Len Hall held a very important secret meeting with members of the White House staff shortly after Eisenhower was taken ill, to tell them flatly and categorically that both he and they must adopt a party line—namely that Ike will run again. They must never deviate from that line, he decreed. . . . The William Morris agency has offered the oratorical, Bible-quoting governor of Tennessee, Frank Clements, a television career — if he ever decides to quit politics. . . . Ambassador Clare Boothe Luce has given up her ambition to be the first lady vice-president of the United States. She's so convinced the nomination will go to Nixon that she won't even bother to attend the Republican convention.

### Mrs. Rocky Is Champ

Rocky Marciano, who grossed about \$1,700,000 in nine years in the ring and never lost a fight, has decided to keep his laurels and stay with his family.

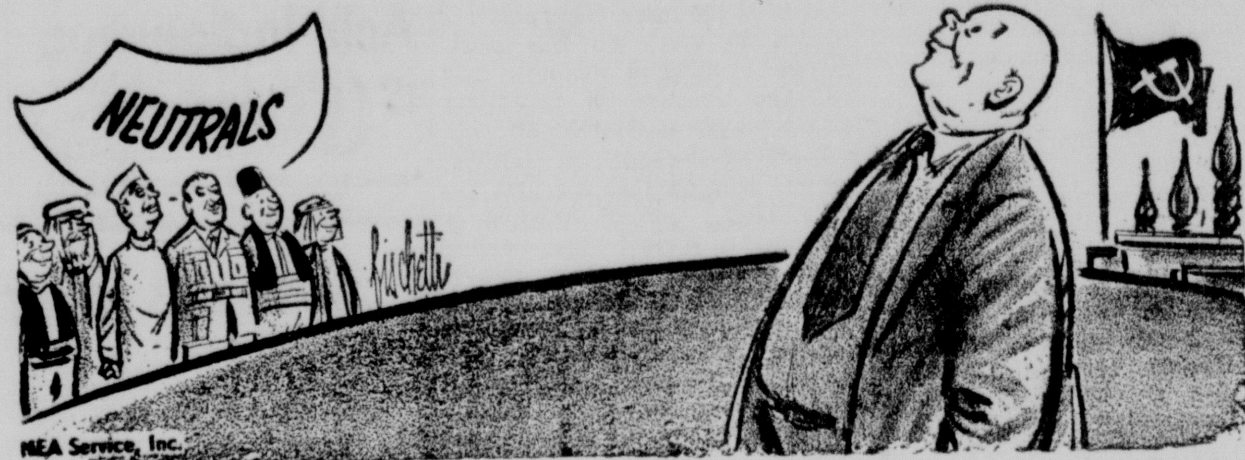

He said: "Out of four years, I only spent 150 days with my wife." He no longer retired to his home in Massachusetts than his wife had to go to the hospital for a throat condition. Chances are it will be nothing serious, but Rocky made a good choice.

At 31, he has made a fortune, he loves his wife and daughter and wants to be with them. Rocky was the champ in the ring, but Mrs. Rocky wins the last round. May it bring them both a lasting victory.

### Thought for Today—

A man to whom God hath given riches, wealth, and honour, so that he wanteth nothing for his soul of all that he desireth, yet God giveth him not power to eat thereof, but a stranger eateth it; this is vanity, and it is an evil disease.—Ecc. 6:2.

### The World Today—

## U. S. Red Party Leaders May Change

By JAMES MARLOW  
Associated Press News Analyst

WASHINGTON (AP)—The leaders of the American Communist party, who have acted like arrogant shepherds toward their own members, are still sheep in the Russian pasture. Some of them may be shorn.

There is rising discontent in the party with this "leadership" which recently confessed to a whole series of disastrous mistakes over the past 10 years and now pretends to be surprised to hear Stalin was a dictator and murderer.

Party members, writing to their newspaper, the Daily Worker, charge dictatorship against the American leaders: directly against the old and ill chairman, William Z. Foster, indirectly against Secretary Eugene Dennis, the real boss, and others.

The leadership itself has conceded the rank-and-file should have more say in the decisions which have been handed down from the top.

The top American Reds had approved every action of Stalin. Dennis recently acknowledged they looked upon Stalin as "infallible." Then Nikita Khrushchev, the Russian Communist boss, put them on the spot.

By revealing Stalin's one-man rule in all its horror, Khrushchev invited the Communists everywhere to be self-critical and critical of one another. He left it up to them to figure out how critical.

## Looking Backward...

TWENTY-FIVE YEARS AGO

Gentry S. Speer, 1105 East Third, was fatally injured when riding on the running board of a Whippet coupe which figured in a collision with a Ford delivery truck near the Grand Avenue ford at Flat Creek.

1931

The Rev. W. B. McGraw, former pastor of the East Sedalia Baptist Church, with Mrs. McGraw and two daughters, of California, Mo., were in Albuquerque, N.M., visiting their eldest daughter and sister, Mrs. Joe N. Williams and family.

1931

A permit was issued by the city engineer to Dr. A. G. Hausam, East Sixth, for erection of a service station at Sixth and Lamine.

1931

Miss Margaret Love, daughter of Dr. and Mrs. J. G. Love, and Miss Geraldine Teufel, daughter of Mr. and Mrs. Pearl C. Teufel, left for Interlochen, Mich., to attend the International High School Music Camp.

FORTY YEARS AGO

Harry L. Demuth, son of Col. and Mrs. H. C. Demuth, general salesman for the Industrial Lumber Co., Elizabeth, La., enlisted in Battery A, Missouri troops, St. Louis, and after arriving here for a day's visit with his parents left for Nevada, Mo., where troops were assembled, to report for duty.

1916

William Bennett Malone, in charge of the commercial offices of the City Light & Traction Co., Sedalia, and Miss Ada Goldsmith, Wheaton, Ill., were married there Thursday evening, June 23.

1916

J. F. McGrath, general chairman of the Blacksmiths' Union, left for Washington, D.C., to attend a meeting of heads of the American Federation of Labor.

As if helpless to know what to do or say until they got the clue from Moscow, the American Communist leaders kept silent for months after Khrushchev's revelations. This week the Central Committee finally spoke up.

It raised critical questions about the part played by Russia's new leaders in Stalin's usurpation of power and his crimes. But it did this only after the Italian, French and British Communists had asked the same questions.

"We . . . are shocked," the committee members said of the revelations. The delay in speaking up made them look afraid to take the lead in criticizing Russia or even knowing what to say or how far to go until others showed the way.

Since it was common knowledge for 20 years that Stalin had one-man rule and slaughtered people, the Central Committee, in saying

it was shocked to hear all this, put itself in the position of being considered dumb or hypocritical. No one has accused the Reds of being dumb.

But Dennis himself provided another example of continued subservience to Russia. Almost as if saying, "Oh, thank you, sir," he expressed gratitude to Khrushchev for saying war is not inevitable.

The rank-and-file may be able to swallow the present leaders' history of disasters — the blind obedience to Stalin was not news to them — but it's hard to see how these leaders can keep their jobs and carry out the new line.

That line was laid down by Khrushchev: Everywhere Communist parties should try to look like national parties and form united fronts. How could the present U.S. leaders, already convicted of trying to teach overthrow of the government, be persuasive?

### Dr. Jordan Says—

## Learn How to Recognize Poison Ivy and Avoid It

By EDWIN P. JORDAN, M.D.

Each year thousands of people develop a blistering irritation of the skin from poison ivy. Usually this is the result of carelessness or because they fail to recognize poison ivy when they see it. Even the city dweller, if he ever goes on a picnic or works in the backyard, should learn to recognize the three-pointed leaves of poison ivy.

It is true some people are more sensitive to poison ivy than others, but anyone may fall a victim. I have seen a good many who boasted that they never got "poison ivy." Many of them eat their words.

It is well known that people who have seemed safe for a great many years may come down when they least expect it.

On the other hand, a few people are extremely sensitive to poison ivy. They can even develop symptoms even if they stand in the smoke from a fire in which poison ivy is being burned. This is because the smoke particles carry tiny oil droplets.

Poison ivy grows only in North America from Canada to Mexico. It is entirely absent from other parts of the world.

There is no poison ivy season, as the stalk is dangerous in winter even when the leaves are not growing.

In summer, however, more people are out of doors and hence more likely to be exposed to this poisonous skin irritant.

For those whose work does not take them into contact with poison ivy the best preventive is to learn to recognize the plant and stay

out of its way. Protective clothing is, of course, useful. There are preparations which can be taken with the object of desensitizing a person to poison ivy. This procedure is favored by some and not by others.

There are a number of protective creams or lotions on the market which are said to prevent the irritating effect of poison ivy for several hours. I have no personal information on the effectiveness of these but there have been some favorable reports on them.

What about treatment of ivy poisoning?

There are several preparations which can be applied to the skin which ease the irritation somewhat. When someone knows of contact with poison ivy, thorough washing with soap and water two or three times is called for followed by rinsing carefully after each wash. This has to be done soon to be effective.

A bad case of poison ivy is no joke. Some need care by a physician.

### Jaycees Get Fined, Later Get Apology

KANSAS CITY (AP)—Some members of a Mississippi delegation to the national Junior Chamber of Commerce convention here were arrested yesterday in Osceola, Mo., but they got an apology here.

Moran D. Harris, St. Clair County prosecutor, filed charges of careless and reckless driving against the group. He said the

### As Sedalia Sees It—

## Speculation On Successor To Ike Presents Enigma

By Esther Van Wagoner Tufty  
Our Washington Bureau

WASHINGTON — If not Eisenhower, then who?

The only Republican approaching wholesale popularity is Chief Justice Earl Warren and he's made it clear he intends to remain on the Supreme Court.

The heir - apparent, Vice-President Richard Nixon, has the GOP professionals primed to repeat the winning 1952 ticket, but even some of these are reluctant to put such a controversial man in the No. 1 place. Nixon is a vigorous campaigner and has gained in stature since he became vice-president, "on the Team," as presiding officer of the Senate, and abroad as the President's personal envoy. But he would draw few votes from dissident Democrats and Independents and even some Republicans are violently anti-Nixon.

Senator William Knowland, the minority leader of the Senate, would have a better chance if he didn't hail from the same state as Vice-President Nixon as the party could scarcely turn down Nixon for another Californian. Then there is a widespread belief that Knowland is against the Eisenhower program because he disagrees frequently on foreign policy. His voting record disproves this but the misconception exists. He has the advantage, or disadvantage, of pleasing the Right Wing of the party.

Harold Stassen, sometimes called the Secretary for Peace because of his Disarmament assignment, has lost his once large personal following in unsuccessful attempts to win the Republican nomination. Altho Governor of Minnesota three times, he has no home base since he moved to Pennsylvania to be a college President.

Former New York Governor Thomas E. Dewey does have a following that could be aroused with

a strong nudge from Dewey's old master - campaigner Herbert Brownell, now attorney general. But there's an anti-Dewey wing of the party. The two-time candidate for the Presidency says he's thru office-seeking, but is any politician ever thru if the timing and persuasion are right? Suppose Eisenhower asked him to run?

Some enthusiasm is expressed for Gov. Herbert of Massachusetts but he's not so young (61) and suffers from arthritis. Widely popular is Secretary of the Treasury George Humphrey, often called the best man in the cabinet.

So the President's removal from the contest would confront the GOP with a real emergency.

## Thinking It Over

By Robert L. Dieffenbacher, D.D.

Every now and then a police patrol car hides from oncoming traffic. When a violator speeds past, or when he breaks some other law of the highways, the policeman comes out of hiding and takes off after the offender.

Many of us criticize the "cop" for his "sneaky" action or his unfair methods of catching people. On the other hand, many of the loudest critics are people who try to sneak through stop signals or attempt to "get away" with what they call "minor violations."

Some even go so far as to compound their errors by offering to bribe the policeman, or by threatening political pressure or economic insecurity for the deputy of the law. Who is most unfair with the public — the policeman who "sneaks" from hiding or the traffic violator who tries to get away with his "minor" law-breaking?

No one likes a "sneak," but neither do we like to see people put other folk in danger. We ought to watch ourselves to see that we follow the established codes of law, and that we do not try to hide our waywardness with crooked thinking.

Let us be thankful that God is not hiding behind bushes to jump on us and punish us for our errors. But let us not expect God to overlook our deliberate sins against Him and against the human children of God.

Do not pray for "justice" alone but rather for "forgiveness." Justice alone may satisfy our desire to see people receive appropriate punishment, but it does not satisfy God's will to save people for worth-while living.

### What They Say

AGNES CARPENTER (R.R. 2, Stover)—In regard to the story in the Sedalia Democrat - Capital about seeing pelicans flying over their city I wish to say that they were GEESE. They circled a couple of times the lake beside which we live. This was about 6:20 p.m. Thursday night. Then they headed north making a noisy fuss, honking and squawking. I remarked to Dr. and Mrs. Huffman of Stover, who were visiting me, what that could mean—geese this time of year. They were not Canadians or any kind I know. However, they were geese.

convoys was speeding and part of it ran a red light.

After a 2½ hour delay for the caravan, the charges were dismissed and the group was released upon payment of \$75 in magistrate court costs—\$5 for each car—Harris said.

Kansas City's Mayor, H. Roe Bartle, addressing the convention last night, said he had been instructed in a phone call from Osceola business men to refund the \$75 to the Mississippians and to apologize to them.

The mayor expects to be reimbursed by the Osceola people.

# Northwest Eyes Atom Water Power

By SAM DAWSON  
SEATTLE (AP) — The Pacific Northwest—long known for abundance of water power—now is eyeing the atom even as it calls for more "bathtubs."

The region expects to grow industrially so much and so steadily that the time will come when nuclear energy will help meet the demand for electric power.

That time won't be tomorrow or probably for many years. But the power companies are studying nuclear plants today—and also keeping an eye on the steady approach of the natural gas pipeline from New Mexico.

They struggle meantime with their perennial problems: Public vs. private utilities; disputes with the fishing industry and sports fishermen who contend that power dams imperil the salmon runs, criticism from nature lovers who fear loss of scenic and recreational attractions at dam sites; and the need for more giant "bathtubs" in which to store the spring runoffs.

The immediate worry of the power companies now: Will the water supply this fall be enough to meet the expected peak power load in December, or must they turn to more expensive steam plants? If the water supply falls too low, aluminum and chemical plants will lose some of their cheap electrical energy.

Part of the trouble will be from the delay, due to the Westinghouse strike, in the scheduled installation of five generators at the new Chief Joseph Dam on the Columbia River.

But L. E. Karrer, vice president of Puget Sound Power & Light, says the fall problem is always with the utilities—it depends in last analysis on the weather. Right now the Columbia River is dropping from flood stage in spots. By late fall it will be low.

Byron L. Price, assistant administrator of Bonneville Power Administration, says future power demands in the northwest call for 45 new projects in addition to those already licensed or under construction. This would mean spending "at the rate of one million dollars a day—indefinitely."

Jack D. Stevens, engineer for the Puget Sound Utilities Council, says that the industrially growing area within a 100-mile radius of Seattle alone should add about 134 million kilowatts of new generating capacity in the next seven years on the basis of foreseeable demand.

One project on which the entire Columbia basin is counting, is the proposed Mica Creek storage reservoir on the Columbia in Canada. Stevens says "this would add about 2,700,000 kilowatts of prime power to new loads in Canada and the United States." Canadian and U. S. interests are now deadlocked on the proposal. The northwest hopes the U. S. State Department will step in.

Karrer and Stevens stress that there are still untapped water sources in the basin sufficient to provide the needs of the next decade or so.

## Displays Burglar, Fire Alarm in Meet

HOLLYWOOD, Calif. (AP) — The National Burglar and Fire Alarm Assn. convention opened with displays of these on display:

## Father of Six Shot In Police Gun Battle

RICHLAND, Kan. (AP) — A father of six children, described by officers as distraught over his wife's divorce action, was shot and killed in a gun battle with police last night.

The dead man was Fred Heberling, 50, owner of a cafe.

Mrs. Heberling had filed suit for divorce and won a court order restraining him from bothering her.

The shooting took place inside the cafe, where deputies had gone to investigate reports Heberling was threatening to shoot any officer on sight.

## Coroner's Jury Can't Explain Airline Death

SHELBY, N. C. (AP) — A Cleveland County coroner's jury says it is unable to decide how Oren A. Pruitt, a bridegroom of one day, fell 6,500 feet to his death from a Piedmont airliner June 13.

Attorneys for Pruitt's widow said after the 3½ hour hearing last night that they planned to file suit against the airline, charging negligence in not posting warning signs near the door.

The 38-year-old Charlotte man and his bride were on their honeymoon to Asheville to visit her parents when he fell from the passenger loading door into a cemetery near here.

Joseph Forest of Charlotte, a passenger on the plane, testified he heard a rush of air and saw Pruitt struggling to stay inside the plane after the door opened.

Forest said he did not see Pruitt open the door and that nobody was near him when he went out the door.

R. C. Murray, a Civil Aeronautics Administration representative, testified he found no violation of CAA regulations and that the door was functioning perfectly when the plane landed.

The plane's flight attendant T. H. Barnes of Winston-Salem said he smelled alcohol on Pruitt's breath.

Mrs. Pruitt denied that her husband was drinking. She said he left his seat to get her a drink of water at the rear of the plane.

Copilot H. A. Schulze testified that the handles of the door would have to be turned for it to be opened. He said it could not have been opened if a man merely leaned or fell against it.

## Services for Admiral To Be in Washington

PORTSMOUTH, N.H. (AP) — Funeral services for Fleet Adm. Ernest J. King, who died yesterday at the age of 77, will be held Friday at Washington National Cathedral with burial at the Naval Academy at Annapolis.

The body will be taken by air to Washington today and will lie in state at the cathedral.

The World War II commander of the U.S. Navy died at Portsmouth Naval Hospital of acute heart failure induced by high blood pressure, from which he suffered for many years.

For an Englishman, auto nuts and bolts are fittings.

## France Is Reported Able to Block Debate On Algerian Issue

UNITED NATIONS, N.Y. (AP) — France was reported today to have lined up enough support to block U.N. Security Council debate on her 19-month-old battle with Algerian nationalists.

This was the word in diplomatic circles as the 11-nation council gathered to consider demands from 13 African and Asian nations for action to halt the North African violence.

Informed sources said a majority of the council members, including the United States and Britain, would join France in opposing the move. Only Russia, Yugoslavia and Iran were reported in favor of it.

Seven affirmative votes are required to place any question on the council agenda.

France contends Algeria is a part of France itself rather than a colony and that the Algerian problem therefore, is an internal problem.

## Egypt's President Wants US Relations

CAIRO, Egypt (AP) — Gamal Abdel Nasser, on his first day as president of Egypt, declared his country wants friendly relations with the United States and "for my part, I will do all I can."

The newly elected chief executive made his statement in an interview with Alicia Patterson, editor and publisher of the Long Island, N.Y., newspaper Newsday.

"We want the American people to understand us," he said. "This will help for good relations and friendship between the peoples of the United States and the peoples of Egypt."

"At the same time, we want to be completely independent. We Egyptians are good people if you understand us."

## Wants Hunt For Campaign Statements

WASHINGTON (AP) — Sen. Bridges (R-NH) said today the House should "determine if important statements of campaign contributors have been destroyed."

Bridges, chairman of the Senate GOP Policy Committee, made the suggestion after House Clerk Ralph R. Roberts said he assumed the documents in question had been "sold as scrap paper."

The documents are a statement of campaign contributions filed by the treasurer of the Republican National Committee for 1952 and others filed by the Democratic national treasurer for the years 1949-1952.

The Justice Department said the reports are needed in connection with "investigations." One, now under way by a federal grand jury in St. Louis, concerns alleged tax irregularities.

The department said it not only had been unable to obtain the documents from Roberts or from Wayne C. Grover, the national archivist, but couldn't even learn if they still exist. It said responses from both men had "been quite inconclusive."

Roberts told reporters he gave the Justice Department access to all records that were available. But those for 1951 and 1952, he said, were not available "because they are not in existence."

He said he assumed they were sold as scrap paper as are other papers no longer kept in the "live" files of the House.

The Corrupt Practices Act, he

## Check Bounces, Gets Man Into Jail Stay

PASADENA, Calif. (AP) — James T. Jones pleaded guilty to drunk driving June 7. Municipal Judge Joseph A. Sprinkle Jr. suspended a 180-day sentence but fined him \$210.

Jones gave the court a check for \$110 and got an okay to pay the balance over a period of time.

Yesterday Jones was back in court. Judge Sprinkle not only reinstated the original 180 days but added 180 more because Jones' check bounced.

said, requires the keeping of records of campaign expenditures for only two years.

"If they really want them it seems they could get them from the two national committees themselves," he said.

The Justice Department took the view that after two years the statements are supposed to be transferred to the National Archives for preservation.

## Recommended Ways to Kill Grasshoppers

Grasshoppers can be poisoned by several different methods, either by spray or poison bait using aldrin, heptachlor, dieldrin, chlordane or toxaphene.

The formulas recommended for spray are: dieldrin 15 per cent, ½ pint per acre or two tablespoons per gallon; aldrin 25 per cent, one pint per acre or two tablespoons per gallon; heptachlor 25 per cent, one pint per acre or two tablespoons per gallon; chlordane, two pints per acre or four tablespoons per gallon; toxaphene 65 per cent, one-third gallon or eight tablespoons per gallon. All are emulsifiable concentrates. Use these mixtures at about one gallon per 1,000 square feet.

Farmers are cautioned not to graze or cut for hay within two weeks after spraying with aldrin or heptachlor, or three weeks after spraying with chlordane, dieldrin or toxaphene.

Recommended poison bait mixtures are:

For ten acres — to make 200 pounds of bait use 100 pounds of mill-run bran (bran can be replaced with old sawdust if it is available). Mix the insecticide (emulsifiable concentrate) in five gallons of water with the bran. Add more water—usually another two to five gallons to make a moist, crumbly mash. Spread at the rate of 20 pounds per acre.

For ½ acre—to make 20 pounds of bait use ten pounds of mill-run bran. Mix the insecticide (emulsifiable concentrate) in two quarts of water, and thoroughly mix this with the bran. Add enough water, usually another two quarts or slightly more, to make a moist, crumbly mash. Spread at rate of one pound per 1,000 square feet.

Use one of the following amounts of insecticide with the above bran mixtures.

For ten acres — one-third pint dieldrin 15 per cent; ½ pint aldrin 25 per cent; one pint heptachlor 25 per cent; one pint chlordane

**Old Taylor 86**

How can Old Taylor 86 cost considerably less than our 100 proof bonded bourbon — and only slightly more than most other 86 proof straights?

The reasons are simple.

Old Taylor 86 is exactly the same in quality as our 100 proof bonded bourbon. It costs you less, only because of lower taxes.

Yet even in this milder, gentler proof, Old Taylor quality is unchanged—rich, mellow, and deeply satisfying.

That is why Old Taylor 86 must cost slightly more than some straight bourbons, but money can't measure the difference in taste.

## Jaycees Win Over Jolly Welders 5-3

The Jaycees came out on top in a close game with Jolly Welders in the first of two industrial league games Monday evening, by a score of 5 to 3. The second game saw Sonny Rabourn pitch a perfect game as Meadow Gold won from Sealtest Milk by a score of 7 to 0.

Rabourn's knuckle ball was working perfectly as he faced only three men in each inning, giving up no hits, no runs, no walks and no errors, and not a runner reached first. It is believed to be the first perfect game in the three years the league has been in operation.

The pitcher for Sealtest, Frazier, gave up only four hits in four innings but five errors by the team kept them in trouble. Violet pitched the last three innings and allowed no hits, but gave up one run on two walks and an error.

Jolly Welders took a two-run lead in the first inning of their game with the Jaycees. The Jaycees came back with one in the second and one in the fourth to pull ahead with three in the fifth. Jolly Welders scored their last run in the sixth.

George Thompson pitched for the Jaycees, allowing six hits, and Ryan pitched for the Welders, allowing eight hits.

The Tuesday night schedule is: 7 p.m. Meadow Gold vs. Moose Club; 9 p.m. Grisedeck Beer vs. Hams Beer. The Tom's TV Service team will go to Lincoln tonight to play a game there.

## A's Resume Play Tonight, Shoot For Sixth Win

After a week's layoff as a result of the weather the Sedalia Athletics will shoot for their sixth victory of the season when they meet the highly regarded Moberly Fallstuffs at 8 o'clock tonight under the lights at Liberty Park. With a hustling aggregation consisting of many former Moberly Ban Johnson players, the Fallstuffs should provide some real competition for Manager Buddy Thomas's Athletics who are striving to get a winning streak underway.

The Athletics will field their usual starting lineup with Don Broadus at first base; Bones Morgan on second; Ralph Fall at short; Sonny Thomas at third base; Billy Dey in left field; Ed Russell in center; Larry Vilmer in right field; and Sally Schumaker behind the plate. The starting pitcher will be announced at game time with Buddy Thomas choosing between Joe Imhauser, Bill Arnold, Bobby Brown, Skip Schull or southpaw Gene Richardson.

The Athletics also have two tough games on schedule this week end when they journey to Columbia for a return game Saturday night, June 30, then meet the Tri-City Athletic Club of Madison, Illinois, Sunday night, July 1, at Liberty.

## Starts Fifth Quest For Singles Crown

WIMBLEDON, England (AP)—Louise Brough, four times Wimbledon tennis winner, started her quest for her fifth women's singles crown today with barnstorming Althea Gibson her main stumbling block.

Althea, seeded fourth, already has beaten top seeded Louise once this season—in three sets at Manchester earlier this month.

She comes to Wimbledon with 18 European and British tournament trophies in her grip and she is determined to become the first Negro to win the world's premier tennis crown.

Of the two, she had an easier first round job today.

She played Germany's Edda Budding, virtually unknown at Wimbledon.

Miss Brough tangled with Jean Forbes, a pretty 16-year-old South African.

**SWISS COW-LINE** — It's a mountain fountain of milk, as two Swiss boys help with the completion of the first milk pipeline between the Swiss village of St. Martin and a summer pasture on the hill above the town. The pipeline, made of a non-corrosive, odorless plastic, carries the pasture-fresh milk down the hill to the village for instant processing.

## Little LEAGUERS

The Sedalia Ice and Cold Storage B team will practice at 6 p.m. Wednesday at the Vermont Park. They will play a scheduled game at the Smith-Cotton field at 6 p.m. Thursday in place of the game scheduled for Saturday.

## Special Shift Works Lighter Than Before

By THE ASSOCIATED PRESS

Lou Boudreau's special shift for slugging Mickey Mantle of the New York Yankees didn't work so well this time.

The Kansas City Athletics' shift to the right only when the switch-hitting outfielder bats left-handed. It stopped Mantle at first.

But last night during a 9-3 victory by the New York Yankees over Kansas City, Mantle appeared against the shift twice and got hits both times. He beat out a bunt toward short and a single to Clellis Boyer, second baseman who plays in shallow right field.

Norm Siebern belted two homers for the Yanks and Hank Bauer and Joe Collins one each during the 14-hit attack on four Athletics pitchers.

Mantle also collected a triple and another single but missed hitting home run No. 28.

Johnny Kuck went the route for New York.

Manager Fred Hutchinson of the St. Louis Cardinals, idle yesterday insists his club isn't in "bad shape" although the Redbirds have a 10-14 record for play during the month of June and have dropped to fourth place in the National League standings.

The Cards open a series with the New York Giants today.

## Loses Hawk, Catches Trout

TACOMA, Wash. (AP)—A local angler, Henry Hickok, comes up with this story, which he maintains is true.

Hickok hooked a 14-inch rainbow trout in nearby Clear Lake and was busily engaged fighting the fish when a hawk swooped to the water and grabbed the trout.

As the hawk, its talons firmly implanted in the trout, tried to gain altitude Hickok gave his line a jerk and the trout fell back into the water, where it took up fighting right where it left off when the hawk intervened.

The hawk flew off, somewhat perplexed by the whole episode. Hickok brought the trout to net, the winner in a three-sided battle.

Rose Bowl Team Member to Coach

EAST LANSING, Mich. (AP)—Buck Nyström, star guard and captain of Michigan State's Rose Bowl football champions, will coach football at Lansing Sexton High next fall.

Michigan State baseball coach John Kobs won 13 letters in four sports at Hamline University. He competed in baseball, basketball, football and track.

## Del Crandall on Monday—

## Milwaukee Braves Honor New Club Hero Every Game Day

By ED WILKS

The Associated Press

Picking the big guy in Milwaukee's slightly fantastic comeback in the National League pennant chase is like stopping on ants. Tag one and there are two more to take his place. The Braves simply have a new hero every day.

It was catcher Del Crandall's

turn last night. His squeeze bunt got the winning run home as the Braves scored three in the ninth inning to beat the Philadelphia Phillies 8-5.

That made it 14 in a row for Milwaukee under Manager Fred Haney. It also retained the Braves' two-game lead as second-place Cincinnati dropped Pittsburgh into fifth place 2-1 and third-place Brooklyn scored two unearned runs to overhaul Chicago's Cubs 3-2.

In the American League, the New York Yankees buried their four-game losing streak under 14 hits, including four home runs, and beat Kansas City 9-3. Washington handed Detroit its ninth straight defeat 5-3 in the only other AL game scheduled.

Since Crandall replaced Charlie Grimm 10 days ago, no less than eight Braves have accounted for the winning runs in the 11-game sprint that has led from fifth place to first.

Del Ennis set up Crandall's winning hit last night with a three-run homer in the eighth that tied it at 5-all for the Phils. But Logan opened the ninth with a double, went to third on Andy Pafko's bunt and then came flying home on Crandall's laydown. Aaron's sacrifice fly and a single by Thomson got the two extra runs home.

Thomson had 4-for-4, including his 10th homer and drove in three runs. Mathews also homered, his 12th, as Bob Buhl won his eighth with Warren Spahn pitching the ninth. Stu Miller (3-4) lost it.

The Redlegs stayed in second with their third straight victory, scoring twice in the seventh as Ted Kluszewski hammered his 14th home run and Ray Jablonski hit a sacrifice fly after singles by Frank Robinson and Ed Bailey. Art Fowler won his fifth with a five-hitter. Ron Kline was the loser.

Don Kaiser gave Brooklyn only four hits in his 7-1-3 innings last night, but No. 4 was Junior Gilliam's triple which was sandwiched between two errors and produced the tying and winning run in the eighth. Gilliam's single and PeeWee Reese's double made it 2-1 in the first after Ernie Banks hit his 16th homer with a man on against Carl Erskine in the Cub first. Erskine won with Clem Labine's help.

Rookie Norm Siebern homered twice for the Yanks, who also had homers from Hank Bauer and Joe Collins as Johnny Kucks won his 10th with a nine-hitter. Yogi Berra ended an 0-for-23 slump with a ninth-inning double while Mickey Mantle went 4 for 5.

Manager Chuck Dressen sent left-handed-hitting Clint Courtney in as a pinchhitter against southpaw Billy Hoelt in the eighth and the stubby Nat catcher smacked his second 1956 home run with a man on for a 4-3 lead.

Lightweight contender Ludwig Lightburn of the British Honduras began planning a boxing tour of the Orient today following his victory over Jake Josato last night.

The 22-year-old Lightburn, 7th ranked among the 135-pound contenders, had to go all out to gain a split verdict in 10 rounds over the Philadelphia at St. Nicholas Arena.

A cut over Lightburn's right eye, opened in the eighth round, required six stitches and cost him a July date at St. Nick's.

"That means we'll be heading for the Orient next if we get confirmation for a five-fight deal there," said Albie Clark, Lightburn's manager.

Referee Mark Conn (8-2) and Judge Artie Schwartz (7-2-1) each voted for Lightburn, Judge Leo Birnbaum had it exactly even, giving each five rounds and five points. The AP card had Lightburn in front, 6-4.

Lightburn an 8-5 choice, weighed 139½ to Josato's 140½.

## Switching Clubs Does Wonders For New Group

NEW YORK (AP)—A switch in baseball uniforms often helps major league players and it's worked wonders this season for Dave Philley and Jim Wilson of the Chicago White Sox. Brooks Lawrence of Cincinnati and Alvin Dark of the St. Louis Cardinals among others.

Secured from Baltimore last month, Philley and Wilson are two good reasons the White Sox have climbed rapidly in the American League. Philley, while performing both in the outfield and at first base, has hit .326 after batting only .205 for the Orioles. And Wilson, veteran right-hander, has posted a 6-1 record. He was 4-2 at Baltimore.

Lawrence, possessor of the major's best won-lost record of 9-0, has been a pleasant surprise for Redleg Manager Birdie Tebbetts. The husky right-hander, who had a 3-8 mark for St. Louis in 1955, was obtained in a winter trade in which Jackie Collum went to the Cards.

Dark has been a ball of fire since his acquisition from the New York Giants earlier this month. He has cracked out 25 hits in 51 trips to the plate for a .420 mark. He left the Giants with .252 and has climbed to .285.

Wait Moryn of the Chicago Cubs, Bill Virdon of the Pittsburgh Pirates, Bob Nieman of Baltimore, Mickey Vernon of the Boston Red Sox and St. Louis' Murry Dickson also have done well with new clubs.

Indianapolis Shuts Out Denver Bears

By THE ASSOCIATED PRESS

Indianapolis handed Denver its first shutout at home since the Bears joined the American Assn., 10-0 on a six-hit hurling job last night by John Gray.

The victory moved the Indians to within 4½ games of front running Denver. It was the seventh straight loss for the Bears.

Omaha's Herb Moford was even sinner in the pitching department as he allowed Wichita but one hit in getting a 3-0 decision at Omaha.

Louisville at Minneapolis and Charleston at St. Paul were rained out.

Mullins Boy's Wear Practices Wednesday

The Mullins' Boys Wear team will have baseball practice at Liberty Park at 1 p.m. Wednesday. It is very important that all players be there.

Michigan State baseball coach John Kobs won 13 letters in four sports at Hamline University. He competed in baseball, basketball, football and track.

## Gus Bell Gets NL Spot In All-Star Vote

NEW YORK (AP)—Gus Bell, one of Cincinnati's homer-bustin' Redlegs, has taken over the National League's centerfield spot from Brooklyn's Duke Snider in the next to last tally of the fans' All-Star game balloting.

Bell now tops Snider in the voting by 56,602 to 53,668.

Final results in the voting for the July 10 game at Washington probably will be released Friday by the office of Commissioner Ford Frick, which is tabulating the vote this season.

Mickey Mantle, a cinch in center field for the AL, probably will finish with more than 100,000 votes. The Yankee slugger leads the individual vote with 94,278.

Right behind him is Pittsburgh's first baseman Dale Long, who tops the National League balloting with 90,059.

Here's the latest tally:

National League

First Base—Dale Long, Pittsburgh, 90,059; Ted Kluszewski, Cincinnati, 47,819.

Second Base—Red Schoendienst, New York, 64,027; Johnny Temple, Cincinnati, 33,719.

Third Base—Ken Boyer, St. Louis, 71,507; Eddie Mathews, Milwaukee, 32,305.

Shortstop—Ernie Banks, Chicago, 54,211; Roy McMillan, Cincinnati, 48,130.

Left Field—Rip Repulski, St. Louis, 44,206; Frank Robinson, Cincinnati, 32,285.

Center Field—Gus Bell, Cincinnati, 56,602; Duke Snider, Brooklyn, 53,668.

Right Field—Stan Musial, St. Louis, 78,749; Wally Post, Cincinnati, 30,696.

Catcher—Roy Campanella, Brooklyn, 56,879; Ed Bailey, Cincinnati, 30,222.

American League

First Base—Mickey Vernon, Boston, 45,267; Vic Wertz, Cleveland, 40,175.

Second Base—Neison Fox, Chicago, 51,645; Billy Goodman, Boston, 18,989.

Third Base—George Kell, Baltimore, 35,914; Ray Boone, Detroit, 28,916.

Shortstop—Harvey Kuenn, Detroit, 31,046; Chico Carrasquel, Cleveland, 11,260.

Left Field—Ted Williams, Boston, 58,980; Charley Maxwell, Detroit, 17,734.

Center Field—Mickey Mantle, New York, 94,278; Jim Piersall, Boston, 9,100.

Right Field—Al Kaline, Detroit, 65,926; Hank Bauer, New York, 17,879.

Catcher—Yogi Berra, New York, 87,850; Sherman Lollar, Chicago, 5,864.

Plans for Orient Fight Tour Soon

NEW YORK (AP)—Lightweight contender Ludwig Lightburn of the British Honduras began planning a boxing tour of the Orient today following his victory over Jake Josato last night.

The 22-year-old Lightburn, 7th ranked among the 135-pound contenders, had to go all out to gain a split verdict in 10 rounds over the Philadelphia at St. Nicholas Arena.

A cut over Lightburn's right eye, opened in the eighth round, required six stitches and cost him a July date at St. Nick's.

"That means we'll be heading for the Orient next if we get confirmation for a five-fight deal there," said Albie Clark, Lightburn's manager.

Referee Mark Conn (8-2) and Judge Artie Schwartz (7-2-1) each voted for Lightburn, Judge Leo Birnbaum had it exactly even, giving each five rounds and five points. The AP card had Lightburn in front, 6-4.

Lightburn an 8-5 choice, weighed 139½ to Josato's 140½.

# TV Column Writer Could Use His Mail

By CHARLES MERCER  
NEW YORK (AP)—Did you know that a television columnist need seldom write a column himself? All he has to do is open his morning mail.

These days press agents come with built-in portables. The old handout is a thing of the past and fit only for the wastebasket. Now they offer specially-written, exclusive features — many of them well-done and interesting.

Take a look at today's mail. Item: "Television and radio fans, who have been reeling under an onslaught of singing commercials, haven't heard anything yet. They can now get their favorite jingle any style: hillbilly, blues, calypso and even rock 'n' roll."

Next paragraph. "Principal instigator of this new trend is Mark Lawrence, radio-television production director of the Blank, Blank & Blank advertising agency, who describes himself as 'basically a saloon piano player.'"

Now there I cheated. I didn't mention the agency, which I'm pretty darn certain is the client in the case. Persons and programs are always mentionable; agencies and sponsors are unmentionables.

Item: "A secret isn't what it used to be when Daniel Webster first defined it as 'a thing undisclosed or unknown,' for television has given the word a new importance. Nowadays, the fam-

ily skeletons are dragged from the attic, dusted off and submitted to CBS-TV's 'I've Got A Secret'...

This one runs to about 1,500 well-chosen words. In fact, it reads like a piece in a fan magazine. In fact, I think I'll send it back to him, let him put a new top on it—and send it to somebody else.

## Truck Driver Informs Her of House Blaze

ST. LOUIS (AP)—Mrs. Martha Welch was sitting on the front porch of an apartment building when a truck driver stopped and asked her:

"Do you know that the third floor is on fire?"

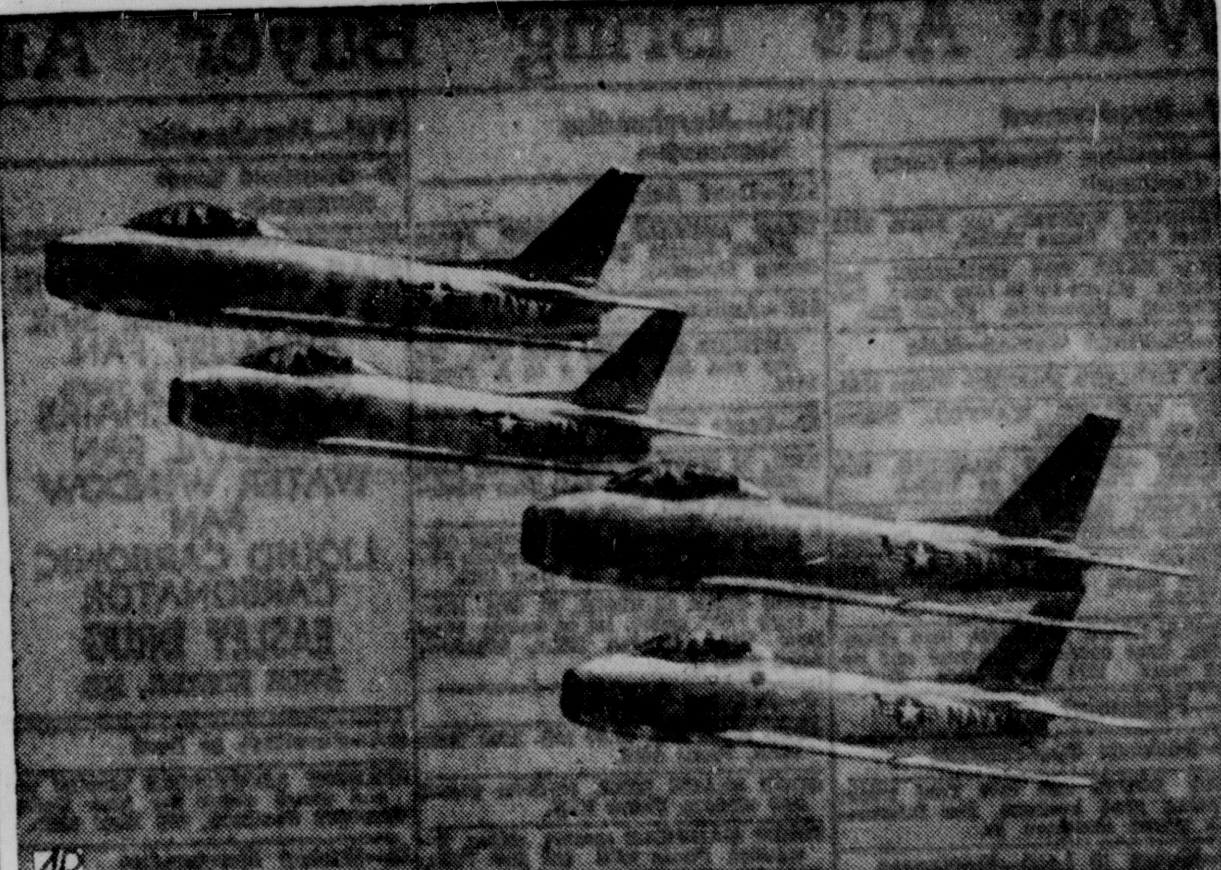

Mrs. Welch looked up and saw flames coming from her apartment. The fire, confined to her quarters, did an estimated \$1,250 damage.

## Passes Out \$36 Bills To Neighborhood Kids

JACKSONVILLE, Fla. (AP)—Four-year-old Michael Lowas took his mother's purse out in the yard and passed out \$36 in bills to neighborhood kids.

Lorry Lowas, the child's father, said there are a lot of children in the neighborhood.

"I'm afraid the ice cream man got most of it," he added.

## Illegally Attempts License Examination

SYLVIA, N. C. (AP)—An Enka man has been charged with assault, drunkenness, obstructing a highway and impersonating an officer after police said he set up a timber blockade on a highway near here and attempted to examine drivers' licenses.

The warrant against 27-year-old Edgar Shephard, police said, was sworn out by Mrs. Kate Wilson of Sylva. She accused Shephard of running after her car and frightening her.

She was admitted to a Sylva hospital suffering from shock. Patrolman John Beal said, after telling police she thought Shephard was Alfred Wilson, the Ohio truck driver who shot three women to death Thursday night. Wilson is still at large.

## Touches Match to Last \$1,000 Loan Note

SALEM, Mass. (AP)—Deputy Fire Chief William R. Hart last night officially sounded the "all out" signal for a fire which in 1914 killed three persons, left 18,000 persons homeless and reduced 1,800 buildings to ashes.

At the same time, Mayor Francis X. Collins touched a match to the last \$1,000 loan note, signaling that Salem had paid off to the last penny the millions it borrowed from the state and private banks to get back on its feet.

## Imposes Heavy Writing

ST. LOUIS (AP)—Franklin W. West, 17, has to write "I will never use a Hollywood muffler again" 3,000 times.

The youth, accused of using an illegal muffler on his car, was first sentenced by Magistrate Raymond I. Harris to write the sentence 1,000 times.

West came back with 20 sheets of notepaper but the magistrate discovered it was not all filled in the same handwriting. He tripled the sentence and told West to do the writing in the courtroom.

West admitted two girls helped him the first time because they "felt sorry for me."

## Band Leader Is Drama Actor Now

By BOB THOMAS

HOLLYWOOD (AP)—At the age of 52, bandleader Russ Morgan is finding himself in a new racket—dramatic acting.

The old coalminer's musical buddies will doubtless flip their lids to hear the news. Russ is pretty amazed by it, too.

"It's a big surprise," he admits. "But I'm having a ball."

It all started when Universal-International talent man Phil Benjamin happened to flip the TV dial to a local variety show. Russ came on for a seven-minute routine, went over so well he stayed for 17. Benjamin thought of Morgan for the role of a bandleader in "The Great Man."

"But I don't appear in front of the band at all," Russ added. "It's a real dramatic part; I'm the only guy who says he liked 'The Great Man.' I deliver a eulogy at his grave and everything."

Russ came to the studio to read for the role. He said that after he delivered just a few lines, the director exclaimed, "this is the one!"

Now Russ is back in greasepaint for the same studio, playing a tough night club mobster who doublecrosses Tony Curtis in "Mister Cory." And he has been sought for movies at Paramount and 20th Century-Fox.

Strangely enough, he started out as an actor. In his early years, he appeared in plays with Raymond Hitchcock in Detroit. But he found he could eat more regularly as a musician, and Russ is the kind of a guy who likes to eat regularly. He took jobs as bandleader-emcee in Detroit movie houses in the late '20s.

After that, he played with bands all over the country, but never settled down with his own outfit until 1936. Rudy Vallee persuaded the management of New York's Hotel Biltmore to hire Russ and that was the start of music in the Morgan manner.

## Threatens Courtroom Trial if Courthouse Is Not Repaired Soon

BROOKSVILLE, Ky. (AP)—The choice for Bracken County fiscal court is either fix the leak in the courthouse roof or it may be leaking on the members of the court.

The county grand jury threatens to haul the fiscal court members into court on charges of malfeasance in office if the leak isn't fixed soon.

The grand jury noted the brick courthouse was built in 1914. Five previous grand juries have complained of the need of repairs.

## Starlet Tumbles Into Ravine on Horseback

LOS ANGELES (AP)—A horse ridden by Sherry Jackson, who plays Danny Thomas' teen-age daughter on TV, tumbled into a ravine near Newhall. Miss Jackson was taken to Kaiser Foundation Hospital with bruises. Attendants said she'd be sent home today.

## Says Man Had Own Teeth at 115 Years

LOS ANGELES (AP)—The family of Joe Gonzales, who died yesterday, says he was 115. Coroner's deputies, called by his granddaughter, said he still had his own teeth.

## RESOLUTION NO. 264

A RESOLUTION declaring it necessary to bring to the established grade and pave with a hot mix asphalt mat coat 1½" thick after compaction all that part of the alley running east and west between Sixth Street and Seventh Street, all public streets within the City of Sedalia, Missouri, from the west line of Massachusetts Avenue thence west to the east line of Kentucky Avenue, except intersections, all public streets within the City of Sedalia, Missouri.

BE IT RESOLVED by the Council of the City of Sedalia, Missouri, as follows:

SECTION 1. The Council of the City of Sedalia, Missouri, finds, deems and hereby declares it to be necessary to bring to the established grade and pave with a hot mix asphalt mat coat 1½" thick after compaction, all that part of the alley running east and west between Sixth Street and Seventh Street, all public streets within the City of Sedalia, Missouri, from the west line of Massachusetts Avenue thence west to the east line of Kentucky Avenue, except intersections, all public streets within the City of Sedalia, Missouri, according to plans and specifications to be prepared by the City Engineer of said City of Sedalia, and to be on file with the City Clerk of said City on or before the 10th day of July, 1956.

SECTION 2. BE IT FURTHER RESOLVED that the City Engineer of said City shall prepare plans and specifications for said work and improvement, together with an estimate of the cost thereof, and shall file the same with the City Clerk of said City of Sedalia, on or before the 10th day of July, 1956, for inspection by the public.

SECTION 3. BE IT FURTHER RESOLVED that the cost of said improvement shall be paid by special assessment against the lots and lands fronting or abutting on either side of said part of alley to be so improved and, on said improvement being completed, special tax bills shall be issued against said lots and lands chargeable with the cost of said improvement, and that the cost of bringing said part of said alley to the established grade shall be included in the special assessment for paying for the bringing of said alley to the established grade and paving all that part of said alley in manner and form as hereinbefore set forth.

SECTION 4. BE IT FURTHER RESOLVED that this resolution be published for seven consecutive insertions in The Sedalia Democrat, a newspaper of general circulation printed and published in the said City of Sedalia, Missouri.

READ THREE TIMES and passed by the Council of the City of Sedalia, Missouri, on this 18th day of June, 1956.

ALLEY OOP

THE STORY OF MARTHA WAYNE

AMANDA! YOU OKAY? SPEAK TO TONY, HONEY. WHERE YOU BEEN, THE WHOLE TOWN IS LOOK FOR YOU!

I'M HUNGRY. DO YOU HAVE ANYTHING TO EAT?

YES, EXCEPT THE OTHER GUY WENT OUT FIRST!

WELL, THAT COULD EXPLAIN WHY HE NEVER MADE IT BACK.

OH, THANK HEAVEN, TONY! WHAT? YES, I'D LOVE TO PUT HER ON!

WILL YOU DO ME THE BIGGEST FAVOR IN THE WHOLE WORLD, MRS. WAYNE?

AND SHE'S HONKY-DORY, MRS. WAYNE.

PLEASE DON'T MAKE ME GO AWAY FROM HERE, MR. TONY. ARE YOU GOING TO START THE MERRY-GO-ROUND NOW?

RESOLUTION NO. 263

A RESOLUTION declaring it necessary to bring to the established grade and pave with a hot mix asphalt mat coat 1½" thick after compaction all that part of the alley running east and west between Fourth Street and Fifth Street, all public streets within the City of Sedalia, Missouri, from the west line of Ohio Avenue thence west to the east line of Kentucky Avenue (except intersections), all public streets within the City of Sedalia, Missouri.

BE IT RESOLVED by the Council of the City of Sedalia, Missouri, as follows:

SECTION 1. The Council of the City of Sedalia, Missouri, finds, deems and hereby declares it to be necessary to bring to the established grade and pave with a hot mix asphalt mat coat 1½" thick after compaction, all that part of the alley running east and west between Fourth Street and Fifth Street, all public streets within the City of Sedalia, Missouri, from the west line of Ohio Avenue thence west to the east line of Kentucky Avenue, except intersections, all public streets within the City of Sedalia, Missouri, according to plans and specifications to be prepared by the City Engineer of said City of Sedalia, and to be on file with the City Clerk of said City on or before the 10th day of July, 1956.

SECTION 2. BE IT FURTHER RESOLVED that the City Engineer of said City shall prepare plans and specifications for said work and improvement, together with an estimate of the cost thereof, and shall file the same with the City Clerk of said City of Sedalia, on or before the 10th day of July, 1956, for inspection by the public.

SECTION 3. BE IT FURTHER RESOLVED that the cost of said improvement shall be paid by special assessment against the lots and lands fronting or abutting on either side of said part of alley to be so improved and, on said improvement being completed, special tax bills shall be issued against said lots and lands chargeable with the cost of said improvement, and that the cost of bringing said part of said alley to the established grade shall be included in the special assessment for paying for the bringing of said alley to the established grade and paving all that part of said alley in manner and form as hereinbefore set forth.

SECTION 4. BE IT FURTHER RESOLVED that this resolution be published for seven consecutive insertions in The Sedalia Democrat, a newspaper of general circulation printed and published in the said City of Sedalia, Missouri.

## Regional Library Notes—

Series of Child Care Books  
Are Added to Mobile Library

"Youth: the Years from Ten to Sixteen" is another of the series of child care books by Dr. Arnold Gesell and Dr. Frances L. Ilg. The first was "Infant and Child in the Culture of Today." This was followed by "The Child from Five to Ten." These books present the findings of years of careful research on the behaviour of boys and girls at a child clinic at Yale University.

Although the children observed are of stable middle-class and professional homes in a prosperous community and the children are of better than average intelligence, most of those who read

the books and profit by them will come from this same sort of environment. Gesell and Ilg do not say "do this" and "do that" in dealing with boys and girls. They point out tendencies of behaviour and patterns of growth.

In this volume on teenagers, the behaviour of individuals varies more than those of younger boys and girls, therefore there can be even less general advice on parental guidance. Since the book is about successful children, parents may feel reassured because their children are acting normally for their age. The authors point out over and over again the wide differences in behaviour and that there is seldom a "normal" pattern for any adolescent. Here are some typical descriptions:

"Ten not only likes to listen to stories but likes to tell his own about something he has seen or heard or read about. He can talk on and on and run what he is talking about 'into the ground'. Talking can indeed be one of his favorite activities. Some Tens plan with their teacher to come to school on Saturday just to sit and talk.

New X-Ray  
Described  
At Meeting

EUGENE, Ore. (AP)—An instrument which can "see" electrons jumping out of a row of atoms and can produce powerful but rigidly controlled X-ray beams for ultrafast work on swiftly moving objects was described today to the American Physical Society.

The device is fast enough and powerful enough to make motion picture X-rays of the internal changes in a circus man being shot out of a cannon, although it would be difficult to hook it up for such a feat.

It utilizes lightweight equipment and relatively little power from conventional supply sources. It produces steady, streamlike bursts of X-rays so potent that exposures of only a millionth of a second are enough to yield pictures of things happening deep in the living body.

It can "stop" a bullet coming out of the muzzle of a gun.

There are many instruments which produce X-rays of higher voltages than the 100,000-volt peak which this one has achieved so far, but the new device yields a much greater beam intensity and controllability, said Dr. William P. Dyke, who reported the development.

Dr. Dyke and Dr. J.K. Trolan developed the device at Linfield College, McMinnville, Ore., where electronics research is being done under contract with the armed forces and other government agencies.

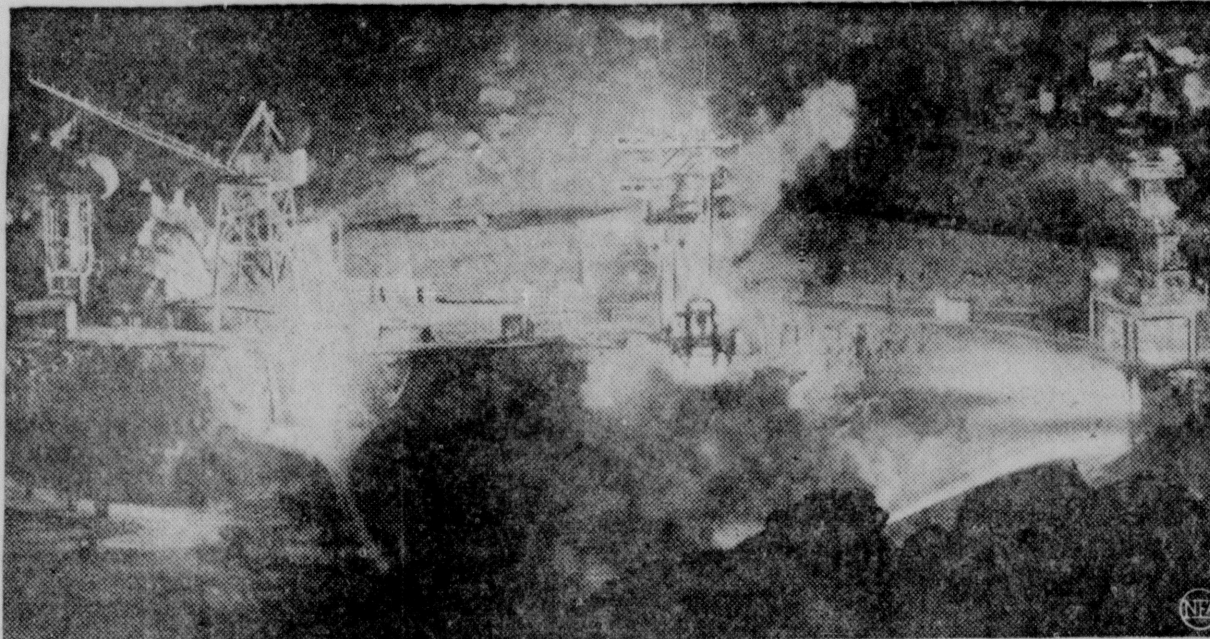

The principle of the instrument is not new. It consists basically of a method of drawing electrons out of metals by the use of an electrical field. Scientists have used it for years and it is the main feature of a device called a field emission microscope.

The new thing about this instrument is the use of many fine tungsten wires drawn to a microscopically small point. When these points are put into an electrical field, they yield high-speed electrons. The outpouring electrons produce X-rays when they strike a metallic surface.

Hall Is Assigned  
To Okinawa Unit

Army Pfc. William F. Hall recently arrived on Okinawa and is now a member of the Ryukyus Command.

Hall, a military policeman, entered the Army in May, 1951. He completed basic training at Ft. Carson, Colo. His father, Harry E. Hall, lives in Sweet Springs.

**INFERNO**—Fiery spectacle thunders in the Santa Susana Mountains 35 miles northwest of Los Angeles in this triple exposure of rocket engines undergoing firing tests. Because of terrific energies unleashed and for accuracy of observation, only one of the devices is ever fired at one time. Testing ground of the engines, designed for U.S. Armed Forces missiles, is at North American Aviation's field propulsion laboratory. Picture, above, took nearly four hours to record.

Donnie Kabler Ends  
Special Duty Tour

Army Pfc. Donnie P. Kabler, son of Mrs. Laura E. Kabler, 608 West Second, recently completed three months of special duty at the Belzen-Hohne artillery range in Germany.

Kabler helped provide medical support for firing units. He is an aidman in Medical Detachment of the 2d Armored Division's 67th Tank Battalion, regularly stationed at Mainz.

Kabler entered the Army in Aug. 1954 and completed basic training at Ft. Bliss, Tex. He arrived in Europe in April 1955.

The 20-year-old soldier was graduated from Hughesville High School in 1954.

Joan Stoecklein Goes  
To 4-H Camp in July

Joan Stoecklein, Pilot Grove, has been chosen as delegate to attend the state 4-H Camp at Camp Clover Point near Kaiser, July 23-27. She is the daughter of Mr. and Mrs. Andrew Stoecklein, Pilot Grove, and is a member of the Pilot Grove 4-H Club. She was chosen for her outstanding work in health with projects including encouraging each club member to have an adequate first aid kit in the home, giving a demonstration on the contents of a first aid kit and demonstrating how to take and prepare a sample of drinking water to be tested.

## At Ionia Producers

The Producers Exchange No. 84 are building a new loading chute on the Rock Island right-of-way. As Ionia is the only town on a railroad in Benton County, the elevator here handles the grain for a large surrounding territory. During harvest it is not an uncommon sight to see from 20 to 30 trucks of grain in line at sun up waiting to unload. The new loading chute will be a great help, as two cars on the two switches can be loaded at the same time.

One observer saw a house wren feed its young 1,217 times in 15 hours.

Californians Leave  
On European Tours

Three California, Mo. residents recently sailed for a trip in Europe. They were Miss Mary Dee Bailey and Miss Martha Sue Friedmeyer, who left June 15 for a five weeks tour in Europe. They will visit with Mr. and Mrs. Morris Hollowell and son Billy in Naples, Italy. Mrs. Hollowell is a sister of Miss Friedmeyer. They expect to visit Switzerland, Austria, Germany and the Netherlands before returning home. Miss Lela Zey, a teacher in the California R-1 Elementary school, sailed June 13 with a group of teachers on a conducted tour sponsored by Central Missouri State College. The group will visit England, Holland, Belgium, Germany, Switzerland, Italy, France and Monaco where they will visit Monte Carlo.

Red Cross Notes--  
Home Service  
Meeting Here  
For 8 Counties

A Red Cross Home Service meeting, with representatives from eight counties attending, will be held Monday, June 25, in the Mag-nolia Room of the Bothwell Hotel, 9:30 a.m. to 3 p.m. The counties invited to attend are: Lafayette, Johnson, Henry, Carroll, Benton, Bates and Pettis. Miss Eleanor Flynn, Home Service representative, will lead the discussion. Henry Sutton, chairman of water safety, completed a class in Senior Life Saving at Liberty Park and Julian Riding at Hubbard Park and the following received certificates: Marian Yeaman, Tula Van

Dyne, Paul Bahner, Bennie Walter, William Shobe and Roy Cox. A Junior Life Saving class will be held at Liberty Park Pool, 7 p.m. beginning July 16, and a Senior Life Saving class will start July 30. If you are interested contact Henry Sutton, phone 1971-W. Swimming classes started the past week at both pools with 694 enrolled at Liberty Park and 40 at Hubbard Park.
